Hon. NITA L. STORMES
United States Magistrate Judge

AFFIDAVIT

3 I, ROBERT A. HARRIS, Special Agent, Federal Bureau of Investigation ("FBI"), United
4 States Department of Justice, being duly sworn, state as follows:

A. EXPERIENCE AND TRAINING

6 1. I am a "law enforcement officer of the United States" within the meaning of
7 Title 18, United States Code ("U.S.C."), § 2510(7), who is empowered by law to conduct
8 investigations of, and to make arrests for, offenses enumerated in Title 18, U.S.C. § 2516. I am a
9 duly appointed Special Agent of the FBI and have been employed as such since August 1996. Since
10 June 2006, I have been assigned to the San Diego Violent Crimes Task Force—Gang Group, a multi-
11 agency task force composed of federal, state and local law enforcement personnel tasked with
12 investigating criminal gang enterprises and related criminal activities occurring in the Southern
13 District of California and elsewhere. Prior to my current assignment, during a period from
14 approximately March 2002 through November 2005, I was assigned to investigate violent gangs and
15 criminal enterprises in the Central District of California and then in the Southern District of
16 California as of December 2005.

17 2. In December of 1996, I completed Special Agent's training at the FBI
18 Academy in Quantico, Virginia. The training included instruction in conducting investigations of
19 violations of federal statutes, to specifically include Titles 18 and 21 of the United States Code.
20 Since completing initial training at the FBI Academy, I have received specialized training from the
21 FBI in conducting Criminal Enterprise investigations. Additionally, I have attended numerous gang
22 investigation-related training administered by other law enforcement agencies and related
23 professional organizations. I have gained experience investigating criminal organizations engaged in
24 conspiracies to manufacture and/or possess with the intent to distribute controlled substances,
25 including marijuana, methamphetamine, and cocaine base.

26 3. I have directed and/or participated in a number of drug trafficking
27 investigations conducted by the FBI and other law enforcement agencies, which resulted in the arrest
28 of numerous subjects and the seizure of controlled substances. On numerous occasions, I have
interviewed defendants in gang investigations and convicted drug traffickers who agreed to

1 cooperate with government officials. I have also reviewed numerous records of interviews
2 conducted by other investigators. I have also directed, supervised or participated in numerous
3 searches of residences of suspected drug traffickers for controlled substances and other evidence of
4 drug trafficking. I have had discussions with other FBI and Drug Enforcement Administration
5 ("DEA") agents, as well as other narcotics investigators, who have advised me concerning the
6 substance of their similar experiences and the results of their own investigations and interviews. As
7 a result of my training and experience, and interactions with other experienced Special Agents, Task
8 Force Agents/Officers, and other investigators, I have become knowledgeable about the distribution
9 and trafficking methods employed by drug traffickers to safeguard, store, transport and distribute
10 drugs, and to collect and conceal drug-related proceeds. I have also become versed in the methods
11 employed by gang members engaged in drug trafficking to communicate with other participants to
12 accomplish the aforementioned objectives. (Henceforth, references to "agents" or "officers" refers to
13 both federal agents and local law enforcement officers working with them, unless otherwise
14 specified.).

15 4. I have become knowledgeable in the methods and modes of narcotics
16 operations, and the language and patterns of drug trafficking. I am aware of techniques that are often
17 used to attempt to detect and/or hinder law enforcement investigations of gang members engaged in
18 drug trafficking, including: the utilization of multiple cellular telephones; the use of digital and/or
19 text pagers; the employment of counter-surveillance equipment and techniques; the use of false
20 and/or fictitious identities; and the use of coded communications and conversations.

21 5. My experience as a Special Agent with the FBI, my participation in the
22 investigation of narcotic organizations, my conversations with other Special Agents familiar with
23 narcotic trafficking and money laundering matters, and my training form the basis of the opinions
24 and conclusions set forth below, which I drew from the facts set forth herein. From my training and
25 experience and the training and experience of other Special Agents, I have learned the following:

26 a. Individuals involved in drug trafficking often maintain the following
27 items in their residences: controlled substances and paraphernalia for packaging, weighing, cutting,
28 testing, distributing and manufacturing controlled substances.

1 b. Individuals involved in drug trafficking often maintain records of their
2 narcotics transactions and other records of evidentiary value for months or years at a time. It is
3 common, for example, for drug traffickers to keep pay/owe sheets or other papers of drugs sold and
4 monies owed. Such pay/owe sheets or papers are used as a basis for accounting and for settling
5 existing debts. Such records are often maintained for a substantial period of time even after the
6 debts are collected. I have found in my training and experience that such records are invaluable to
7 drug traffickers and that such records are rarely discarded. Finally, it has also been my experience
8 that such records and pay/owe sheets also frequently include the names, identities and telephone
9 numbers of suppliers, customers and co-conspirators.

10 c. Individuals involved in drug trafficking must often rely on others to
11 obtain their drugs and to help them market the drugs. Frequently, traffickers maintain evidence of
12 the identities of these co-conspirators at their residence.

13 d. Individuals involved in drug trafficking commonly earn income in the
14 form of cash and try to legitimize these profits. In order to do this, traffickers frequently attempt to
15 secrete, transfer and conceal the money by means, including, but not limited to: placing assets in
16 names other than their own to avoid detection while maintaining control; laundering the money
17 through what appears to be legitimate business or businesses; hiding money in their homes, safes and
18 safety deposit boxes; or using the money to buy assets which are difficult to trace. Records of the
19 these and other types of transactions are often found at the residences of individuals involved in drug
20 trafficking.

21 e. Individuals involved in drug trafficking often keep and maintain large
22 amounts of United States currency at their residences. Such funds are often used for every day
23 expenditures and to maintain and finance their ongoing drug business. Additionally, individuals
24 involved in drug trafficking often amass and maintain assets at their residence which were generated
25 by their trafficking activities, or purchased with the cash earned from such trafficking.

26 f. Individuals involved in drug trafficking often maintain weapons,
27 firearms and ammunition on their person or in their residence and/or vehicles. Such weapons and
28 firearms are used, and can be used, as an instrumentality of the crime of possession and distribution

1 of drugs. Furthermore, I am aware of instances in which traffickers have maintained such items in
2 their residences and vehicles in order to protect themselves and guard their drugs and drug profits, as
3 well as for enforcement purposes during their drug dealings.

4 g. Residences and premises used by individuals involved in drug
5 trafficking usually contain articles of personal property evidencing the identity of person(s)
6 occupying, possessing, residing in, owning, frequenting or controlling the residence and premises.

7 h. Individuals involved in drug trafficking frequently communicate with
8 co-conspirators by means of cellular telephones and electronic paging devices and usually maintain
9 these items on their person and/or in their residences and vehicles.

10 i. Individuals involved in drug trafficking often utilize radio scanners,
11 police radios and other electronic equipment in order to conduct counter-surveillance upon law
12 enforcement authorities, and usually maintain these items on their person and/or in their residences
13 and vehicles.

14 j. Individuals involved in drug trafficking often maintain photographs,
15 and/or audio and video recordings of their associates or real and personal property which were
16 acquired with drug proceeds or property utilized to facilitate drug trafficking activities. Such items
17 are typically maintained in their residences.

18 k. Drug traffickers often store information relating to their drug
19 trafficking business on computers and/or computer disks.

20 6. This affidavit supports (1) a criminal complaint, and (2) applications for
21 warrants to search and seize evidence from the premises described below.

22 **B. LOCATIONS TO BE SEARCHED**

23 7. I submit that the facts contained in the numbered paragraphs below are
24 accurate, and that they demonstrate that there is probable cause to believe that documents and
25 records and other instrumentalities and evidence of violations of Title 21, United States Code,
26 Sections 841(a)(1) and 846, and Title 18, United States Code, Sections 2 and 1956(h), will be found
27 at the residence (and all surrounding areas, including garage, outbuildings, enclosures, vehicles,
28 containers, and safes) for the individuals and locations specified below. These locations are more
particularly described in **Attachment A** to the applicable search warrant, which is incorporated

1 herein by reference. I specifically believe that there is probable cause to believe the residence in

1 C. **PROPERTY OR ITEMS TO BE SEIZED**

2 8. I request permission to search and seize documents and all other
3 instrumentalities and evidence of violations of Title 21, United States Code, Sections 841(a)(1) and
4 846 and Title 18, United States Code, Sections 2 and 1956(h), as demonstrated in this attached
5 affidavit. See **Attachment B** for further details.

6 D. **INTRODUCTION**

7 9. Since at least 2006, law enforcement officials have been investigating the
8 drug-trafficking activity of **Lee Vaughn WALKER**, aka "Lee Dog," who, along with his associates,
9 distributes methamphetamine, cocaine base in the form of crack cocaine (hereinafter "crack cocaine"
10 or "cocaine base") and marijuana, mainly out of WALKER's apartment at **4881 Rolando Court,**
11 **Apartment 69, in San Diego, California ("WALKER's apartment")**. In 2006, a detective with
12 the San Diego Police Department ("SDPD") learned that WALKER was engaged in trafficking
13 narcotics from WALKER's apartment, based on conversations with other law enforcement officers,
14 confidential sources and cooperating defendants. Additionally, the SDPD Detective was aware of
15 numerous complaints from tenants residing in the same apartment complex as WALKER, alleging
16 that a black male was selling narcotics from WALKER's apartment.

17 10. In early 2007, the Federal Bureau of Investigation ("FBI") began an active
18 investigation of WALKER and his associates. Between March and October 2007, a confidential
19 source ("CS"), working at the direction of the FBI, made five controlled purchases of crack cocaine
20 and three receipts or controlled purchases of marijuana from WALKER.

21 11. In September 2007 and October 2007, the Honorable Roger T. Benitez,
22 District Judge, United States District Court for the Southern District of California, issued orders
23 authorizing the interception of electronic communications occurring to and from telephones used by
24 WALKER, specifically, telephone numbers **(619) 471-7660 ("Target Telephone 1")** and
(619) 602-5547 ("Target Telephone 2"). Also, on or about September 17, 2007, agents installed a
25 stationary camera to record visual surveillance of the front of WALKER's apartment. As a result of
26 the Court-authorized interceptions of these telephones, and corresponding surveillance and
27 28

1 investigation conducted by the FBI, the FBI documented numerous drug transactions and identified
2 numerous individuals associated and involved with WALKER's drug-trafficking activities.

3 12. In October 2007 and November 2007, with the aid of the Court-authorized
4 interceptions of WALKER's telephones, law enforcement officers made one seizure of
5 methamphetamine and two seizures of crack cocaine.

6 13. Since the end of Court-authorized wire interceptions on November 19, 2007,
7 the FBI has continued to investigate WALKER and his associates, including, but not limited to,
8 conducting videotaped surveillance of WALKER's apartment and analyzing Court-authorized pen
9 registers of Target Telephones 1 and 2. The telephone activity on WALKER's two Target
10 Telephones and the foot traffic at WALKER's apartment are consistent with the drug-trafficking
11 activity observed during the period of Court-authorized wire interceptions (September 2007 to
12 November 2007), as well as prior to that time.

13 14. Since this affidavit is being submitted for the limited purpose of securing
14 authorization for execution of a search warrant at the location to be searched, your affiant has not
15 included each and every fact known to your affiant concerning this investigation. Your affiant has
16 set forth only the facts that your affiant believes are necessary to establish the foundation for a search
17 warrant for this location.

18 **E. SPECIFIC FACTS RELATING TO EACH CO-CONSPIRATOR**

19 15. The following paragraphs summarize for each co-conspirator: (1) the evidence
20 of drug-trafficking gathered through the end of the period of wire interceptions on November 19,
21 2007 (including representative samples of intercepted communications and/or observed drug-
22 trafficking activities); (2) any gang membership; (3) prior similar drug-trafficking activity; and
23 (4) the surveillance and investigation of each co-conspirator's activities following the end of wire
24 interceptions ("Continuing Activity"). The Continuing Activity subsections include, among other
25 things, any evidence that the co-conspirator has continued telephone contact with WALKER or visits
26 to WALKER's apartment. During the two-month period of wire interceptions, each co-conspirator
27 listed below (with the exception of Felipe MEDINA) averaged between daily to weekly telephone
28 contact with WALKER concerning drug-trafficking or other criminal activity. During this same

1 period, there were multiple sales of narcotics at WALKER's apartment on a nearly daily basis.
 2 Thus, I believe that any continuing telephone contact with WALKER or continuing visits to
 3 WALKER's apartment by these individuals suggests an ongoing drug-trafficking relationship.

4 (1) **Lee Vaughn WALKER, aka "Lee Dog"**

5 16. **Summary:** Numerous controlled purchases, several seizures and hundreds of
 6 wire intercepts involving conversations pertinent to criminal activity ("pertinent intercepts") of the
 7 Target Telephones establish that WALKER distributes methamphetamine, crack cocaine and
 8 marijuana, mainly from WALKER's apartment. (All references to "pertinent intercepts" involve
 9 calls intercepted during the two-month period of Court-authorized wire interceptions only.) The
 10 evidence of WALKER's drug-trafficking activity is discussed in detail below.

11 17. **Gang Membership:** WALKER is a suspected Crips gang member.

12 18. **Prior Similar Acts:** In 1993, WALKER possessed cocaine base for sale, as
 13 evidenced by his guilty plea in San Diego Superior Court criminal number CR138624. In 1999,
 14 WALKER participated in the sale and transportation of cocaine base, as evidenced by his guilty plea
 15 in San Diego Superior Court criminal number SCD144962.

16 19. **Continuing Activity:** WALKER's activities following the end of wire
 17 interceptions are discussed in detail below.

18 (2) **Melvin ALEXANDER**

19 (Oct. 14, 23, 26; Nov. 2, 4, 5, 16-17)

20 20. **Summary:** Approximately 89 pertinent intercepts between Melvin
 21 ALEXANDER and the Target Telephones, as well as visual surveillance, establish that
 22 ALEXANDER stores narcotics at his residence for WALKER and distributes crack cocaine and
 23 methamphetamine for WALKER. Specific examples of ALEXANDER's drug-trafficking activity
 24 are described below for October 14, October 23, October 26, November 2, November 4, November 5
 25 and November 16-17, 2007.

26 21. **Prior Similar Acts:** In 1994, ALEXANDER possessed cocaine base for sale,
 27 as evidenced by his guilty plea in San Diego Superior Court criminal number SCD107722. In 1999,
 28 ALEXANDER conspired to sell cocaine base and facilitated the sale of cocaine base, as evidenced

1 by his guilty plea in San Diego Superior Court criminal number SCD145932. On December 17,
 2 2007, the SDPD again arrested ALEXANDER for possession of cocaine base for sale (among other
 3 charges), and ALEXANDER was released on bond on December 20, 2007.

4 22. Continuing Activity: Based on pen register analysis, ALEXANDER's
 5 telephone continues to connect with one of WALKER's Target Telephones on almost a daily basis.
 6 As mentioned above, on December 17, 2007, the SDPD arrested ALEXANDER for possession of
 7 cocaine base for sale in front of his apartment complex, when he fled from officers and threw away
 8 bags found to contain cocaine base and methamphetamine.

9 23. On January 8, 2008, almost three weeks after his release on bond on his most
 10 recent arrest, the covert stationary camera captured ALEXANDER at WALKER's apartment while
 11 one of the suppliers, Eleodoro CASTILLO, aka "Onko", was arriving at WALKER's apartment.
 12 (CASTILLO's prior documented visits to WALKER's apartment all appear to have been drug-
 13 related.)

14 24. Additionally, on January 10, 2008, an officer observed ALEXANDER getting
 15 picked up in a Mercedes with paper plates outside ALEXANDER's apartment. The Mercedes
 16 transported ALEXANDER to one of the locations connected to Jose Galvan RICO, aka "Mija",
 17 where ALEXANDER got out of the Mercedes and walked into an alley and out of sight. (This was
 18 the same location where agents had previously observed one of RICO's couriers, Felipe MEDINA,
 19 enter in connection with an observed drug transaction.) Approximately 15 minutes later, the
 20 Mercedes returned, picked up ALEXANDER and departed the location. Based on ALEXANDER's
 21 prior history (including the fact that he had never before been seen in that Mercedes), the use of this
 22 location for prior drug-trafficking activity, the brevity of the encounter, and the fact that
 23 ALEXANDER and RICO appear to have a purely business (not social) relationship, I believe that
 24 this event related to drug-trafficking.

25 (3) Jose Galvan RICO, aka "Mija"

26 (Oct. 5-6, 29-30; Nov. 1, 10, 16-17)

27 25. Summary: Approximately 32 pertinent intercepts, as well as visual
 28 surveillance, establish that Jose Galvan RICO, aka "Mija", was a supplier of crack cocaine for

1 WALKER. WALKER typically telephones RICO to order multiple ounces of crack cocaine.
2 Specific examples of RICO's drug-trafficking activity are described below for October 5-6, October
3 29-30, November 1, November 10 and November 16-17, 2007.

4 26. **Continuing Activity:** Since the end of wire interceptions, RICO's telephone
5 has continued to contact at least one of WALKER's Target Telephones, although the last contact
6 was on December 26, 2007. (Since drug dealers often change cellular phones, it is possible that
7 RICO has dropped his known telephone number. For example, Eleodoro CASTILLO, aka "Onko",
8 changed his telephone number at least once during the 2-month period of wire interceptions.)
9 Agents have continued to observe RICO exiting his own residence, including a sighting as recently
10 as January 3, 2008. In addition, as discussed above, on January 10, 2007, an officer observed
11 ALEXANDER enter one of the locations associated with RICO and leave approximately fifteen
12 minutes later.

13 | (4) Eleodoro CASTILLO, aka “Onko”

14 (Oct. 5-6, 27, 27-28, 28; Nov. 2)

15 27. **Summary:** Approximately 40 pertinent intercepts, as well as visual
16 surveillance, establish that WALKER frequently telephoned Eleodoro CASTILLO, aka "Onko", to
17 order various amounts of crack cocaine. Specific examples of CASTILLO's drug-trafficking activity
18 are described below for October 5-6, October 27, October 27-28, October 28 and November 2, 2007.

19 28. **Continuing Activity:** Since the end of wire interceptions, CASTILLO's
20 telephone has continued to connect with at least one of WALKER's Target Telephones frequently,
21 with the most recent connection occurring on January 8, 2008 (as of the pen register analysis on the
22 morning of January 10, 2008). As recently as January 8, 2008, the covert stationary camera
23 videotaped CASTILLO entering WALKER's apartment.

24 | (5) Daphne Rosalinda JACKSON, aka Daphne R. Rae

25 (Sept. 26; Oct. 3, 5-6, 19, 22, 23; Nov. 11, 13)

26 29. **Summary:** Over 100 pertinent intercepts of the Target Telephones, as well as
27 visual surveillance, establish that Daphne Rosalinda JACKSON, aka Daphne R. Rae, helps run the
28 drug-trafficking activities at WALKER's apartment, including cooking narcotics, meeting with

1 suppliers and distributing to drug users. Specific examples of JACKSON's drug-trafficking activity
 2 are described below for September 26, October 3, October 5-6, October 19, October 22, October 23,
 3 November 11 and November 13, 2007.

4 30. **Continuing Activity:** During the period of wire interceptions, Daphne
 5 JACKSON often spoke to WALKER by using one of his own Target Telephones, which was left at
 6 WALKER's apartment. However, she has used several other phones to speak with WALKER. As
 7 of January 10, 2008, the last time the telephone that lists her as a subscriber contacted WALKER
 8 was on December 31, 2007. Daphne JACKSON was captured on video entering WALKER's
 9 apartment as recently as January 5, 2008.

10 (6) **Bernal Anthony MITCHELL, aka "Tony"**

11 (Oct. 29-30; Nov. 9, 16)

12 31. **Summary:** Approximately 39 pertinent intercepts of the Target Telephones,
 13 as well as visual surveillance, establish that Bernal Anthony MITCHELL, aka "Tony", lives at
 14 WALKER's apartment and helps run the drug-trafficking activities at WALKER's apartment,
 15 including meeting with suppliers and distributing narcotics to drug users. Specific examples of
 16 MITCHELL's drug-trafficking activity are described below for October 29-30, November 9, and
 17 November 16, 2007.

18 32. **Continuing Activity:** MITCHELL continues to live at WALKER's
 19 apartment. Since the end of wire interceptions, MITCHELL has been captured on video almost
 20 everyday entering WALKER's apartment, most recently on January 8, 2008.

21 (7) **Allen Matthew BAKER Jr., aka "J.R.", aka Tracy Reyard Diggs, aka Marcus Johnson**

22 (Oct. 6-7, 14, 28)

23 33. **Summary:** Approximately 9 pertinent intercepts of the Target Telephones
 24 establish that Allen Matthew BAKER Jr., aka "J.R.", aka Tracy Reyard Diggs, aka Marcus Johnson,
 25 supplies WALKER with crack cocaine, and is involved in drug sales with WALKER. Specific
 26 examples of BAKER's drug-trafficking activity are described below for October 6-7, October 14,
 27 and October 28, 2007.

28 34. **Gang Membership:** BAKER is a documented member of the Lincoln Park

1 || Bloods gang.

2 35. **Prior Similar Acts:** In 1989, BAKER possessed marijuana for sale, as
3 evidenced by his guilty plea in San Diego Superior Court criminal number CR111240. In 1995,
4 BAKER sold cocaine base, as evidenced by his guilty plea in San Diego Superior Court criminal
5 number SCD108674. In 1999, BAKER transported 9.76 grams of cocaine base, as evidenced by his
6 guilty plea in San Diego Superior Court criminal number CDF143319.

7 36. **Continuing Activity:** BAKER currently has two felony warrants for his
8 arrest. The last known address for BAKER was in La Mesa, where he provided to the apartment
9 management a copy of a Virginia driver license in the name of Marcus Johnson (one of his aliases).
10 This affiant has reliable information that BAKER is currently using a cellular telephone subscribed
11 to South Coast Pool Plastering. Based on pen register analysis on January 10, 2008, this telephone
12 has been in contact with at least one of WALKER's Target Telephones, most recently on January 1,
13 2008.

14 (8) Michael Dwayne TRYALS, aka "Texas Mike", aka Michael Tryls, aka Dave Brooks,
15 aka Leon Howard Blair, aka Earl David Hollis
16 (Oct. 28, 30; Nov. 4, 9)

17 37. **Summary:** Approximately 21 pertinent intercepts of the Target Telephonies
18 establish that Michael Dwayne TRYALS, aka "Texas Mike", aka Michael Tryls, aka Dave Brooks,
19 aka Leon Howard Blair, aka Earl David Hollis, and WALKER share suppliers of crack cocaine, and
20 are involved in purchasing and selling narcotics to one another. Specific examples of TRYALS's
21 drug-trafficking activity are described below for October 28, October 30, November 4, and
22 November 9, 2007.

23 38. **Prior Similar Acts:** In 1982, TRYALS possessed marijuana for sale, as
24 evidenced by his guilty plea in San Diego Superior Court criminal number CR60844. In 1984,
25 TRYALS possessed cocaine, as evidenced by his jury trial conviction and 2-year sentence in San
26 Diego Superior Court criminal number CR71681. In 1989, TRYALS possessed cocaine for sale, as
27 evidenced by the felony complaint filed in San Diego Superior Court criminal number CR109632, as
28 well as his guilty plea and 2-year sentence for possession of cocaine in that same case.

1 39. **Continuing Activity:** During the period of wire interceptions, TRYALS
 2 never used telephones subscribed in his own name. Instead, TRYALS typically contacted WALKER
 3 using one of four telephones that were subscribed to three different individuals, including one
 4 individual with whom he lives. Based on pen register analysis on January 10, 2008, all of these
 5 telephones have been in contact with at least one of WALKER's Target Telephones, with the most
 6 recent contacts occurring between January 5 and January 8, 2008. On January 8, 2008, the covert
 7 stationary camera captured a person who resembles TRYALS entering WALKER's apartment.

8 (9) **Bobby Shawn LOCKHART, aka "Blue"**

9 (Sept. 29; Oct. 23; Nov. 5)

10 40. **Summary:** Approximately 32 pertinent intercepts, as well as visual
 surveillance, establish that LOCKHART works at WALKER's apartment on almost a daily basis,
 11 assisting with the distribution of narcotics. Specific examples of LOCKHART's drug-trafficking
 12 activity are described below for September 29, October 23, and November 5, 2007.

13 41. **Gang Membership:** LOCKHART is a documented member of the West
 Coast Crips gang.

14 42. **Prior Similar Acts:** In 1998, LOCKHART possessed Phencyclidine ("PCP"),
 as evidenced by his guilty plea in San Diego Superior Court criminal case number CDF137253. In
 15 2007, LOCKHART possessed methamphetamine, as evidenced by his guilty plea in San Diego
 Superior Court criminal number CS210358.

16 43. **Continuing Activity:** During the period of wire interceptions, LOCKHART
 often spoke to WALKER using one of WALKER's own Target Telephones, and LOCKHART used
 17 several other phones to speak with WALKER. Based on pen register analysis on January 10, 2008,
 one of these telephones contacted one of the Target Telephones as recently as January 8, 2008.
 18 Additionally, the stationary camera filmed LOCKHART entering WALKER's apartment on
 December 27, 2007.

19 (10) **Alexander WEIR IV, aka "Brick"**

20 (Sept. 30; Oct. 6-7, 11, 20, 22)

21 44. **Summary:** Approximately 64 pertinent intercepts, as well as visual

1 surveillance, establish that Alexander WEIR IV, aka "Brick", is a sub-distributor of
 2 methamphetamine for WALKER, and also deals in crack cocaine. Specific examples of WEIR IV's
 3 drug-trafficking activity are described below for September 30, October 6-7, October 11, October 20,
 4 and October 22, 2007.

5 45. **Gang Membership:** WEIR IV is a suspected member of the Lincoln Park
 6 Bloods gang.

7 46. **Prior Similar Acts:** In 2002, WEIR IV sold cocaine base and possessed
 8 cocaine base for sale, as evidenced by his guilty plea in San Diego Superior Court criminal number
 9 CDF169691.

10 47. **Continuing Activity:** During the period of wire interceptions, WEIR IV never
 11 used telephones subscribed in his own name to contact WALKER. Based on pen register analysis on
 12 January 10, 2008, one of the telephones that WEIR IV regularly used to contact WALKER, which is
 13 subscribed to Pedria Starks, contacted one of the Target Telephones as recently as January 1, 2008.
 14 On January 5, 2008, agents observed Pedria Starks and someone they believed to be WEIR IV
 15 arriving at their residence in the Cadillac that is registered to WEIR IV and Starks. (During past
 16 surveillances at WALKER's apartment, WEIR IV had been positively identified as the driver of the
 17 same Cadillac.) Both Starks and the person who is believed to be WEIR IV entered the residence
 18 that is listed as the address on the Cadillac's registration.

19 (11) **Alexander WEIR V, aka "Lil' Brick"**

20 (Oct. 19, 29; Nov. 6)

21 48. **Summary:** Approximately 19 pertinent intercepts, as well as visual
 22 surveillance, establish that Alexander WEIR V, aka "Lil' Brick" (who is WEIR IV's son), distributes
 23 crack cocaine for WALKER. Specific examples of WEIR V's drug-trafficking activity are described
 24 below for October 19, October 29, and November 6, 2007.

25 49. **Gang Membership:** WEIR V is a documented member of the Lincoln Park
 26 Bloods gang.

27 50. **Prior Similar Acts:** In 2003, WEIR V transported cocaine base, as evidenced
 28 by his guilty plea in San Diego Superior Court criminal number SCD176613.

1 51. Continuing Activity: As recently as January 9, 2008, agents observed
2 WEIR V entering and exiting the apartment where he is residing.

3 **(12) Felipe MEDINA**

4 **(Oct. 5-6; Nov. 1, 10)**

5 52. Summary: Intercepts, visual surveillance and one seizure establish that Felipe
6 MEDINA is a courier for Jose Galvan RICO, aka "Mija". Specific examples of MEDINA's drug-
7 trafficking activity are described below, including agents' surveillance on October 5-6 and
8 November 1, 2007, as well as MEDINA's arrest on November 10, 2007 with 119.68 grams of crack
9 cocaine.

10 53. Continuing Activity: MEDINA has been in continuous state custody since
11 his arrest on November 10, 2007.

12 **(13) Melvin Andre BIBBS**

13 **(Oct. 19, 23, 27-28)**

14 54. Summary: Approximately 64 pertinent intercepts, as well as visual
15 surveillance, establish that Melvin Andre BIBBS distributes crack cocaine for WALKER. Specific
16 examples of BIBBS' drug-trafficking activity are described below for October 19, October 23 and
17 October 27-28, 2007.

18 55. Prior Similar Acts: In 2005, BIBBS possessed cocaine base for sale, as
19 evidenced by his guilty plea in San Diego Superior Court criminal number SCD190002.

20 56. Continuing Activity: During the period of wire interceptions, BIBBS used
21 two telephones to contact WALKER. Based on pen register analysis on the morning of January 10,
22 2008, both of those telephones are still in contact with at least one of WALKER's Target
23 Telephones, with the most recent calls occurring on January 1 and January 3, 2008. BIBBS has not
24 been observed with WALKER lately, but on December 12, 2007, a SDPD confidential informant
25 ("CI") purchased narcotics from a facilitator on the street in front of BIBBS' residence, which is
26 located at 4068 44th Street, Apt. 104, San Diego, California ("BIBBS' apartment"). The SDPD
27 officers observed a facilitator take the CI's money, walk to BIBBS' apartment and enter, and then
28 return to the CI with narcotics.

1 (14) **Mark Edward RUNNELS, aka "Marky Mark"**
2 (Oct. 5-6, 13, 27; Nov. 11)

3 57. **Summary:** Approximately 48 pertinent intercepts, along with visual
4 surveillance, establish that Mark Edward RUNNELS, aka "Marky Mark", operates as a courier of
5 drugs, assists with preparing drugs, speaks on the telephone with suppliers, accepts drug deliveries
6 from suppliers and assists in selling drugs to users. Specific examples of RUNNELS' drug-
7 trafficking activity are described below for October 5-6, October 13, October 27 and November 11,
8 2007.

9 58. **Gang Membership:** RUNNELS is a suspected gang member.

10 59. **Continuing Activity:** During the period of wire interceptions, RUNNELS
11 never used telephones subscribed in his own name to contact WALKER. Typically, RUNNELS
12 contacted WALKER using the Target Telephone that WALKER left at his apartment. RUNNELS
13 continues to frequent WALKER's apartment. As recently as January 9, 2008, the stationary camera
14 videotaped RUNNELS entering WALKER's apartment.

15 (15) **Niesha Shawnee ARMSTRONG, aka Niesha S. Jackson**
16 (Oct. 1; Nov. 9)

17 60. **Summary:** Approximately 50 pertinent intercepts, as well as visual
18 surveillance, establish that Niesha Shawnee ARMSTRONG, aka Niesha S. Jackson, distributes crack
19 cocaine, marijuana and methamphetamine. Specific examples of ARMSTRONG's drug-trafficking
20 activity are described below for October 1 and November 9, 2007.

21 61. **Continuing Activity:** Since the end of wire interceptions, ARMSTRONG's
22 telephone has continued to contact at least one of WALKER's Target Telephones on almost a daily
23 basis, with the most recent contact occurring on January 8, 2008 (per a pen register analysis on the
24 morning of January 10, 2008). Additionally, on January 9, 2008, agents observed WALKER leave
25 ARMSTRONG's apartment complex in La Mesa and thereafter observed ARMSTRONG also leave
26 her apartment complex.

1 (16) **Gloria JACKSON**

2 (Nov. 5, 13, 16)

3 62. **Summary:** Approximately 31 pertinent intercepts, as well as visual
4 surveillance, establish that Gloria JACKSON distributes crack cocaine for WALKER. Specific
5 examples of JACKSON's drug-trafficking activity are described below for November 5,
6 November 13 and November 16, 2007.

7 63. **Continuing Activity:** Since the end of the period of wire interceptions, Gloria
8 JACKSON's telephone has continued to contact at least one of WALKER's Target Telephones
9 frequently, with the most recent contact occurring on January 7, 2008 (per a pen register analysis on
10 the morning of January 10, 2008). On January 7, 2008, officers observed JACKSON parked outside
11 her apartment complex in her vehicle (the same vehicle JACKSON drove from WALKER's
12 apartment complex after picking up narcotics on November 13, 2007).

13 (17) **Craig Anthony WILSON**

14 (Oct. 3, 23)

15 64. **Summary:** Approximately 47 pertinent intercepts, as well as visual
16 surveillance, establish that Craig Anthony WILSON distributes methamphetamine for WALKER.
17 Specific examples of WILSON's drug-trafficking activity are described below for October 3 and
18 October 23, 2007.

19 65. **Continuing Activity:** Since the end of wire interceptions, WILSON's
20 telephone has continued to contact at least one of WALKER's Target Telephones frequently, with
21 the most recent contact occurring on January 8, 2008 (per a pen register analysis conducted on the
22 morning of January 10, 2008).

23 F. **INVESTIGATION OVERVIEW**

24 66. As mentioned above, in 2006 an SDPD Detective learned that WALKER was
25 selling narcotics, based on conversations with other law enforcement officers, confidential sources,
26 cooperating defendants and complaints from tenants residing in the same apartment complex as
27 WALKER, alleging that a black male was selling narcotics from WALKER's apartment. In 2007,
28 the FBI began a formal investigation of WALKER, including hiring CS to make purchases of

1 narcotics from WALKER that were recorded and monitored. CS has been cooperating with the FBI
 2 since 2004. In that time period, CS has consistently provided truthful information which was
 3 corroborated by other confidential sources and/or other investigators. CS has felony convictions for
 4 perjury (specifically, using a fake birth certificate to apply for a driver license, and then signing the
 5 driver license application under penalty of perjury), grand theft, and theft by use of access card data
 6 in 1991; forge an access card to defraud in 1995; second-degree burglary in 1996; and false
 7 checks/record/certifications in 2003.

8 67. On or about September 17, 2007, the FBI installed a stationary video camera
 9 which allows monitoring of the front of WALKER's apartment. Between September 21, 2007 and
 10 November 19, 2007, the FBI intercepted conversations on one or both of the Target Telephones
 11 belonging to WALKER. The investigation is ongoing, and includes, among other things, monitoring
 12 of Court-authorized pen registers of the Target Telephones and video surveillance.

13 **CONTROLLED RECEIPT: Marijuana (March 17, 2007)**

14 68. On March 17, 2007, WALKER gave CS a small bag of marijuana, valued at
 15 approximately \$20.

16 **OBSERVED SALES: Methamphetamine, Cocaine Base and Marijuana (April 4, 2007)**

17 69. On April 4, 2007, while inside WALKER's apartment, CS witnessed
 18 WALKER selling marijuana, methamphetamine, and cocaine base.

19 **CONTROLLED RECEIPT: Marijuana (April 11, 2007)**

20 70. On April 11, 2007, WALKER asked CS to follow WALKER to a location
 21 where WALKER would pick up marijuana. Agents followed CS and WALKER and conducted
 22 surveillance of the transaction. WALKER entered a commercial building located on 54th Street, San
 23 Diego, California, while CS remained in CS's vehicle. WALKER exited the building approximately
 24 five minutes later and walked to CS's vehicle. WALKER removed a small amount of marijuana
 25 from a larger bag of marijuana, placed the smaller amount in a small plastic bag, and gave the small
 26 plastic bag to CS.

27 **CONTROLLED PURCHASE: 71.8 Grams of Cocaine Base (May 9, 2007)**

28 71. On May 9, 2007, CS made a controlled and recorded purchase from

1 WALKER of approximately 71.8 grams of cocaine base for \$1800. CS, who was wearing a
2 concealed transmitter/recorder, met WALKER in WALKER's apartment, and inquired about
3 purchasing three ounces of cocaine base. WALKER informed CS that it would cost \$600 an ounce.
4 After confirming that CS had the money for three ounces of cocaine base, WALKER told CS to wait
5 approximately 30 minutes.

6 72. Approximately 50 minutes later, CS went back to WALKER's apartment, and
7 observed WALKER and an unknown male ("UM1") counting stacks of money. WALKER told CS
8 to give him another five minutes.

9 73. Approximately 35 minutes later, in a conversation that was covertly
10 audiotaped and videotaped, an unknown male ("UM2") approached CS and informed CS that
11 WALKER told him to bring the three ounces of cocaine base to CS. UM2 handed CS the cocaine
12 base, for which CS paid UM2 \$1800. UM2 told CS that if CS wanted more in the future to go
13 through WALKER.

14 74. Later analysis of the cocaine base revealed that it weighed approximately
15 71.8 grams (2.53 ounces). Although a full ounce weighs approximately 28.3 grams, it is typical for
16 drug dealers in San Diego County to sell amounts that are "light." WALKER typically provides no
17 more than 24 grams (excluding the plastic baggie) for a one-ounce purchase. Thus, a three-ounce
18 (85.0-gram) purchase, such as this one, would generally weigh no more than 72 grams, without the
19 bag.

20 **CONTROLLED PURCHASE: Marijuana (May 16, 2007)**

21 75. On May 16, 2007, CS made a controlled and recorded purchase from
22 WALKER of approximately one-quarter ounce of marijuana for \$110. CS, who was provided with
23 \$200 and a concealed transmitter/recorder, met with WALKER inside WALKER's apartment, and
24 inquired about purchasing a quarter-ounce of marijuana. WALKER proceeded into his kitchen and
25 produced a large bag of marijuana from one of the cabinets. WALKER produced a scale and
26 weighed approximately a quarter-ounce of marijuana. WALKER provided CS with the marijuana in
27 exchange for \$110. WALKER told CS that if CS wanted more cocaine base, WALKER could place
28 a call and get it for CS.

1 **CONTROLLED PURCHASE: 71.2 Grams of Cocaine Base (May 23, 2007)**

2 76. On May 23, 2007, CS made a controlled and recorded purchase from
 3 WALKER of approximately 71.2 grams of cocaine base for \$1800. Outfitted with a concealed
 4 transmitter/recorder, CS met with WALKER inside WALKER's apartment. WALKER told CS he
 5 would have someone knock on CS's door and the person will "bring that to you." WALKER told
 6 CS to have the money ready, and that it would be the same price as last time.

7 77. Approximately 25 minutes later, an unknown female ("UF1") approached CS.
 8 UF1 produced from a baseball cap a plastic bag that contained three individually wrapped pieces of
 9 cocaine base, weighing approximately 71.2 grams (2.51 ounces) in total. CS paid \$1800 to UF1 in
 10 exchange for the cocaine base.

11 **CONTROLLED PURCHASE: 45.9 Grams of Cocaine Base (June 14, 2007)**

12 78. On June 14, 2007, CS made a controlled and recorded purchase from
 13 WALKER of approximately 45.9 grams of cocaine base for \$1200. While wearing a concealed
 14 transmitter/recorder, CS met with WALKER inside his apartment and told WALKER that CS
 15 wanted two ounces of cocaine base. WALKER spoke to someone on Target Telephone 1 and asked
 16 if the person had three ounces of cocaine base for him. WALKER told the caller to bring them to
 17 him but to wait until dark. WALKER hung up Target Telephone 1 and told CS that CS would
 18 receive the two ounces in approximately 45 minutes.

19 79. Approximately 70 minutes later, WALKER approached CS. WALKER
 20 provided from his pocket two individually wrapped pieces of cocaine base, weighing a total of
 21 approximately 45.9 grams (1.62 ounces). CS paid WALKER \$1200 for the cocaine base.

22 **CONTROLLED PURCHASE: 10.8 Grams of Cocaine Base (July 17, 2007)**

23 80. On July 17, 2007, CS made a controlled and recorded purchase from
 24 WALKER of approximately 10.8 grams of cocaine base for \$300. Upon arriving at the apartment
 25 complex, CS placed a consensually recorded telephone call to Target Telephone 1 and told
 26 WALKER that CS wanted to purchase an ounce of cocaine base from him. In a later conversation,
 27 WALKER directed CS to come to WALKER's apartment. When CS arrived, WALKER informed
 28 CS that he only had a half-ounce of cocaine base. WALKER gave CS approximately 10.8 grams

1 (0.38 ounces) of cocaine base, for which CS paid \$300 to WALKER.

2 **INTERCEPTS: Methamphetamine (Sept. 26, 2007)**

3 **(WALKER and D. JACKSON)**

4 81. On September 26, 2007, at approximately 4:37 p.m., WALKER telephoned
 5 Daphne JACKSON, who was at WALKER's apartment. WALKER told JACKSON that "the white
 6 boy Bobby's out there in a convertible Porsche, up in the . . . on the side and . . . where I park my
 7 truck up there near the front." WALKER told JACKSON, "Give him um, you know um, you know
 8 that girl Christina?" WALKER told JACKSON, "Remember I told you for um, fifty cent?"

9 82. Based on my training and experience, and my review of hundreds of intercepts
 10 and other investigation in this case, I believe "that girl Christina" refers to crystal methamphetamine
 11 and that WALKER was telling JACKSON to sell Bobby the methamphetamine for \$50. (On
 12 October 2, 2007, agents observed "Bobby," whose identity is known, driving a Porsche into
 13 WALKER's apartment complex. The vehicle is registered to someone who lives at the same address
 14 as Bobby and the license plate on the Porsche contains Bobby's last name.)

15 83. Within minutes, JACKSON left WALKER's apartment.

16 **INTERCEPTS: One-Quarter Ounce of Methamphetamine (Sept. 29, 2007)**

17 **(WALKER and LOCKHART)**

18 84. On September 29, 2007, at approximately 2:17 p.m., a white female
 19 nicknamed "Shay," whose identity is known, telephoned WALKER to ask for "two of those that I
 20 got of the Christina." WALKER asked if she wanted two "whole ones." Shay said she wanted two
 21 like she got from him before. WALKER told her to come on and hurry up, because he had it right
 22 now.

23 85. At approximately 2:21 p.m., WALKER telephoned LOCKHART to say, "You
 24 got \$300 coming by the white broad, she wants to shoot two games of pool with you for \$300."
 25 LOCKHART replied, "Let me go make it." WALKER told him, "She's coming, the lady Shay, the
 26 white girl," and added "go ahead and deal with that with Daph." (Daphne JACKSON's nickname is
 27 "Daph".)

28 86. At approximately 3:43 p.m., a white female resembling Shay entered

1 WALKER's apartment and left at approximately 4:09 p.m.

2 87. Based on my training and experience, and my review of hundreds of intercepts
3 in this case (in particular, those relating to WALKER and Shay's other dealings), I believe that
4 "Christina" refers to crystal methamphetamine and that "two games of pool" refers to two "8-balls"
5 or two eighths of an ounce. I believe that WALKER was telling LOCKHART to sell Shay two "8-
6 balls" (a full quarter-ounce) of crystal methamphetamine for \$300.

INTERCEPTS (Sept. 30, 2007)

(WALKER and WEIR IV)

9 88. On September 30, 2007, at about 10:13 a.m., WEIR IV entered WALKER's
10 apartment. At approximately 10:20 a.m., a person nicknamed "Abbi-Ab" entered WALKER's
11 apartment. At approximately 10:28 a.m., WALKER spoke to WEIR IV on the telephone.
12 WALKER said, "Don't be givin' that boy nothin'. He ain't gonna pay, homie." WEIR IV asked,
13 "Who, Abbi-Ab?" WALKER replied, "Yeah." WEIR IV said, "Oh, I just gave him . . . I just gave
14 him somethin'." WALKER went on to say that Abbi-Ab "be smokin'" and that WALKER told
15 Abbi-Ab he was "bad business." WEIR IV asked, "How can you go from ballin' to smokin'?"
16 WALKER later said, "If you can go from ballin' to smokin', you can go from ballin' to snitchin',
17 nigger. . . so I'm kinda scared of him right now, homie."

18 89. Based on my training and experience, and my review of hundreds of intercepts
19 in this case, I believe that WALKER was instructing WEIR IV not to provide any narcotics to
20 Abbi-Ab in the future, because Abbi-Ab had gone from dealing drugs ("ballin") to using them
21 ("smokin"). WALKER also believed that Abbi-Ab could become a police informant ("snitchin").

INTERCEPTS: Quarter-Ounce of Cocaine Base (Oct. 1, 2007)

(WALKER and ARMSTRONG)

24 90. On October 1, 2007, at approximately 9:26 p.m., WALKER spoke on the
25 telephone to ARMSTRONG, who said, "Listen, um, somebody I know wants to get like a uh,
26 dub-fifty or somethin' . . . I ain't gonna bring them with me, but I'll bring they money." WALKER
27 responded, "Shit, I'm, but right now . . . shit, it's gon' be about thirty to forty-five minutes." Based
28 on my training and experience, and my review of hundreds of intercepts in this case, I believe that a

1 "dub-fifty" refers to \$150 and that, based on other intercepts involving ARMSTRONG as well as
 2 WALKER's usual pricing, ARMSTRONG wanted to obtain a quarter-ounce of cocaine base to
 3 provide to a buyer.

4 91. At approximately 11:09 p.m., WALKER telephoned ARMSTRONG and
 5 asked if she still wants "that." ARMSTRONG said she would find out and call him back.

6 **INTERCEPTS: Cocaine Base and 1 Ounce of Methamphetamine (Oct. 3, 2007)**

7 **(WALKER, D. JACKSON and WILSON)**

8 92. On October 3, 2007, at approximately 10:22 a.m., a Latino male (identified as
 9 a supplier of methamphetamine for WALKER) telephoned WALKER. WALKER asked for "one."
 10 The Latino male said, "Twenty-five minutes."

11 93. At approximately 10:24 a.m., WALKER called Daphne JACKSON to tell her
 12 to go in his room and that "right there near the table is some black and white, um, Nikes. . . . There's
 13 six-hundred dollars in there. . . . The Mexican comin'." WALKER told JACKSON to give the
 14 Mexican "the other one" and tell him "I'll pay 'em the rest later."

15 94. WALKER also told JACKSON, "[T]hen my homeboy Craig A. gonna come.
 16 He . . . um, he's coming for that girl Christina." (WALKER sometimes calls Craig Anthony
 17 WILSON by the nickname "Craig A.") WALKER instructed JACKSON, "Give him um, half of that
 18 and he's gonna give you, five, five dollars." JACKSON asked, "We got that in there, too?"
 19 WALKER said, "No, the Mexican's gonna bring that. When he comes give him the six-hundred in
 20 the shoe."

21 95. At approximately 10:30 a.m., WALKER left a voicemail on the telephone of
 22 Craig WILSON, telling WILSON to give him a call, because there will be "soup" within the hour.

23 96. Based on my training and experience, and my review of hundreds of intercepts
 24 in this case, I believe that WALKER ordered 1 ounce of methamphetamine from one of his Mexican
 25 suppliers on this occasion. WALKER then instructed JACKSON to find \$600 that was hidden in his
 26 shoes. WALKER instructed JACKSON to pay \$600 to the Mexican supplier, in exchange for the
 27 1 ounce of methamphetamine, and to tell the Mexican supplier that WALKER would pay him the
 28 rest later. I believe WALKER also instructed JACKSON to give another one of his distributors,

1 Craig WILSON, one-half ounce of methamphetamine for \$500. (WALKER typically sells
 2 methamphetamine for a street price of \$1000 per ounce or \$500 per half-ounce, but buys it from his
 3 suppliers for considerably less.)

4 97. At approximately 11:27 a.m., WILSON called WALKER and asked, "What's
 5 up, man?" WALKER said he was waiting for this "fool" to "drop it" right now. WALKER said that
 6 as soon as he got there, he would call WILSON right back.

7 98. At about 11:34 a.m., WALKER telephoned WILSON and said, "Alright, go
 8 on. Tell Daph . . . go on. She got it. She got the whole thing. Tell her to give you the half." WILSON
 9 asked, "The what?" WALKER replied, "The half for the . . . go ahead, she . . . go ahead
 10 and tell her what to do. She's there. I'm at work, but she got it there. He just got there." WILSON
 11 replied, "Okay, alright." WALKER asked WILSON, "When you goin'?" WILSON said, "Now."

12 99. At about 11:38 a.m., WALKER telephoned JACKSON and asked, "You gave
 13 him the six, right?" JACKSON replied, "Yeah, I got . . . what, what you gave me." WALKER
 14 asked, "[S]o, you got four left of that other, you still got that right . . . what I told you, right . . . of the
 15 . . . [h]ard?" JACKSON said, "Yeah, the quarter and the um, and the . . ." WALKER said, "And
 16 the, the half, yeah. . . . Now Craig's gonna come and give you five. . . . And, and you gon' give him
 17 half. You take the five and when you get rid of the other stuff, I'm gon' call the other boy to bring
 18 you two, alright?" JACKSON asked, "Um, I'm gon' give him half of the stuff that came?"
 19 WALKER replied, "Yeah, yeah, he gon' give you five, five dollars."

20 100. Based on my training and experience, and my review of hundreds of intercepts
 21 in this case, I believe that JACKSON confirmed that she paid the Mexican supplier \$600 for 1 ounce
 22 of methamphetamine, and WALKER then instructed JACKSON to give WILSON one-half ounce of
 23 methamphetamine for \$500. When WALKER asked if JACKSON had "four left of that other . . . of
 24 the . . . hard," I believe that the "hard" or "the other" refers to crack cocaine.

25 INTERCEPTS: 4 Ounces of Cocaine Base (Oct. 5-6, 2007)

26 (WALKER, RICO, CASTILLO, D. JACKSON, MEDINA and RUNNELS)

27 101. On October 5, 2007, at approximately 12:03 p.m., WALKER told Daphne
 28 JACKSON that "the boy is coming, Mija." Later, agents observed a person who resembles

1 MEDINA entering WALKER's apartment and soon thereafter exiting WALKER's apartment.
 2 (MEDINA is believed to be a courier for RICO, aka "Mija".) At 1:09 p.m., WALKER asked if "he"
 3 came. JACKSON said "yes." WALKER asked that MITCHELL walk around the complex, because
 4 "they" are talking about people following them.

5 102. At approximately 3:33 p.m., WALKER called CASTILLO to say that he
 6 needed "cuatro" once he got off work. ("Cuatro" is the Spanish word for "four.") WALKER said he
 7 would be there at 5:30 p.m. and to have "cuatro" ready for him.

8 103. The following day, on October 6, 2007, at approximately 5:00 p.m.,
 9 RUNNELS told WALKER the "Ese" was on his way. At 5:16 p.m., RUNNELS and WALKER
 10 spoke again on the telephone. RUNNELS said, "Hey, talk to the eses for me, 'cause I talked to 'em.
 11 I told him it was me, Marcos. . . . I told him to come on." WALKER asked, "Alright, which one?"
 12 RUNNELS said, "He said you want four?" WALKER replied, "Which one? Oh, Mija?"
 13 RUNNELS replied, "Yeah, he said he's gonna bring four. Let him know, let him know it's okay."
 14 WALKER replied, "I can't." Then RUNNELS said, "Well, he's coming anyway." WALKER said,
 15 "I got the other one coming, too. Whoever comes first. Play it like that."

16 104. At about 5:50 p.m., WALKER telephoned RUNNELS and asked, "He got
 17 there?" RUNNELS replied, "Yeah, they came, homie." WALKER asked, "Both of 'em or just one
 18 of 'em?" RUNNELS said, "Just one." WALKER asked, "Onko? . . . Is it Onko?" Then
 19 RUNNELS said, "Onko, yeah, him."

20 105. Based on my training and experience, and my review of hundreds of intercepts
 21 in this case, I believe that RUNNELS told RICO, aka "Mija", that he could deliver 4 ounces of crack
 22 cocaine to WALKER's apartment, while WALKER had told CASTILLO, aka "Onko", that he could
 23 deliver the same amount. I believe WALKER was telling RUNNELS to buy the narcotics from
 24 whichever supplier arrived first.

25 **INTERCEPTS: 9 Ounces of Crack Cocaine (Oct. 6-7, 2007)**

26 (WALKER, BAKER and WEIR IV)

27 106. On October 6, 2007, at approximately 6:58 p.m., BAKER called WALKER,
 28 saying he wanted to be paid "forty-five, homie, cause that's five-hundred a piece." WALKER stated,

1 "I give you forty-two, but this is gonna be a consistent thing with me. It's gonna be bigger and
 2 better."

3 107. At 7:40 p.m., WALKER telephoned BAKER to say that he was "ready."
 4 BAKER responded, "Yeah, but you know I was sittin' here bein' stupid, she talkin' about forty-two,
 5 yeah, I'll get you forty-two. Nigga, you better give me forty-five, motherfucker, that's five hundred."
 6 Later in the conversation, BAKER said, "But, but I said forty-two because I wasn't even countin',
 7 man. I'm like damn, I'm gon' be runnin' for two hundred?" WALKER said, "Shit, yeah, I mean,
 8 alright, alright. But goddamn I mean if I come all the time what about . . . by half of what you get
 9 then? Um, we talk when I see, I'm gon' give you the forty-five. . . ."

10 108. Based on my training and experience, and my review of hundreds of intercepts
 11 in this case, as well as WALKER's usual drug pricing, I believe that WALKER and BAKER were
 12 discussing the price of crack cocaine. BAKER wanted to be paid \$4500 (\$500 per ounce, for 9
 13 ounces of crack cocaine), while WALKER wanted to pay only \$4200, because he would be a regular
 14 customer. WALKER typically sells crack cocaine for a street price of \$600-\$650 per ounce, but
 15 buys it from his suppliers for considerably less.

16 109. On October 7, 2007, at approximately 12:13 p.m., WEIR IV telephoned
 17 WALKER to ask what was happening. WALKER said, "Ain't no good, homie. Ain't no good. I, I
 18 cooked that shit, ain't no good. I'm tryin' to . . . I'm callin' that nigga right now." WEIR IV said,
 19 "Are you . . . I, I looked at it. I looked at it and could tell. It was too, it was too, it was too cut up.
 20 How many of 'em you get?" WALKER replied, "Nine. . . . I'm gettin' my money back, though. I'm
 21 callin' the nigger. I'm on him. I'm gettin' my money back." WEIR IV asked, "What'd you, what'd
 22 you spend, seven thousand?" WALKER replied, "Nah, nah."

23 110. At approximately 2:20 p.m., BAKER telephoned WALKER and said, "I'm on
 24 my way over to the Ese's. . . . I'm gonna get them uh, the one's that uncooked and then I just have to
 25 take care of that other shit. He gonna just trade it or get somethin' else." WALKER replied, "Thank
 26 you, sir."

27 111. Later in the conversation, BAKER said, he was "tryin' to tell you that I had
 28 cheffed one. I was tryin' to tell ya that I had that one and it did do that. It came back eleven out of

1 twenty-eight [there are 28.3 grams in 1 ounce]. . . . Yeah, but I, I wanted to do it too so that I could
2 let them see, look, this is what's up, but I already dumped this here . . ." BAKER also told
3 WALKER, "You don't have to worry about nothin'. I got your bread anyway. I told you, I bought
4 it, so I had yo' money anyway."

5 112. During the same conversation, BAKER asked WALKER if he "could tell 'em
6 that they could use that one that you had did, though." WALKER said, "No, I'm, I, I put it all up,
7 everything's stashed, cause you said don't fuck with it, so I stashed it."

8 113. Based on my training and experience, and my review of hundreds of intercepts
9 in this case, I believe that WALKER and WEIR IV believed that the 9 ounces of crack cocaine that
10 WALKER purchased from BAKER was of poor quality. I believe BAKER told WALKER that he
11 agreed that it was of poor quality, and BAKER told WALKER that he would be exchanging it with
12 his Mexican supplier.

INTERCEPTS: 9 Ounces of Cocaine Base (Oct. 11, 2007)

(WALKER and WEIR IV)

15 114. On October 11, 2007, at approximately 12:20 p.m., WEIR asked WALKER,
16 "Did you hit?" WALKER said, "Nope, you?" WEIR IV said, "I ordered, I ordered . . . he gon' give
17 me, you said I get, I get us a nine for five thousand." WALKER said, "I said five a piece. Nine
18 times five is forty-five." WEIR IV replied, "Well, I'm gon' get him down to forty-five." Based on
19 my training and experience, and my review of hundreds of intercepts in this case, as well as
20 WALKER's usual drug pricing, I believe that WALKER and WEIR IV were discussing the price of
21 9 ounces of crack cocaine. WEIR IV was explaining that he ordered 9 ounces of crack cocaine from
22 a supplier for \$5000 (approximately \$555 per ounce). WALKER reminded WEIR IV that he had
23 asked for a price of \$500 per ounce, for a total of \$4500 for 9 ounces, not \$5000. WALKER
24 typically sells the crack cocaine for a street price of \$600-\$650 per ounce, but buys it from his
25 suppliers for considerably less.

SEIZURE: 1 Gram of Methamphetamine (Oct. 12, 2007)

27 115. On October 12, 2007, at about 8:07 p.m., WALKER called a drug user named
28 Antrone Jamal Giles, aka "Train," and asked him where he was at. WALKER asked him to come

1 over. Giles said, "I'll come right out." The surveillance team thereafter saw a black male matching
2 Giles' description enter WALKER's apartment complex and later walk out. At 8:43 p.m., an officer
3 saw Giles walking near WALKER's apartment. The officer pulled up beside Giles and asked him if
4 he was on parole or probation. Giles stated, "I'm on probation." The officer asked if Giles had any
5 outstanding warrants, and Giles replied, "Yes. I didn't go to court on the 4th." Based on Giles
6 answer, the officer arrested him. Incident to arrest, the officer found a plastic baggie containing
7 approximately 1 gram of methamphetamine.

8 116. At about 9:03 p.m., a woman named Selena called WALKER to tell him that
9 "Train just got stopped by the police, he went to jail." She explained what happened. WALKER
10 responded, "Damn, are you sure? Cause he just left my pad just now." At 10:57 p.m., Selena called
11 back to say that "Train" had been booked for possession, because they found drugs on him, and that
12 he had a warrant, too. WALKER responded, "He should have broke and got rid of that shit and
13 said he ran because of the warrants. . . . Then they would have just booked him for the warrants, you
14 know what I'm saying?" Selena said that it was only one police officer. WALKER then stated,
15 "Yeah, he could have got rid of that, he wasn't supposed to go out like that."

INTERCEPTS (Oct. 13, 2007)

(WALKER and RUNNELS)

18 117. On October 13, 2007, at approximately 10:53 a.m., a woman telephoned
19 WALKER. WALKER gave the woman directions to his apartment complex and told her to call him
20 when she got in the parking lot. The woman said she would "get that same piece, the chicken meal."

21 118. At approximately 11:23 a.m., the woman telephoned WALKER to "come on
22 out." WALKER asked if she was parked in the same place and what color the car is. The woman
23 said it was a red Honda. WALKER told her that he was sending someone out to her, and described
24 him as a big guy, with a gray shirt and bald head. (RUNNELS is approximately 6 feet, 1 inch tall
25 and 250 pounds, with a bald head.)

26 119. At approximately 11:26 a.m., agents observed RUNNELS leave WALKER's
27 apartment and return within one minute. RUNNELS was not carrying a chicken meal.

28 //

1 **INTERCEPTS: One-Eighth Ounce of Methamphetamine (Oct. 14, 2007)**

2 **(WALKER, ALEXANDER AND BAKER)**

3 120. On October 14, 2007, at approximately 4:54 p.m., ALEXANDER asked
 4 WALKER if there was anything over there at WALKER's apartment. WALKER told
 5 ALEXANDER that he had someone working on it. At about 7:26 p.m., WALKER called
 6 ALEXANDER and told him "it's bad" and he would call him later.

7 121. At approximately 8:04 p.m., ALEXANDER called WALKER to ask what was
 8 up. WALKER told ALEXANDER that he has to "cook the food," and then he would be ready for
 9 ALEXANDER. Based on my training and experience, and my review of hundreds of intercepts in
 10 this case, I believe WALKER was using code for converting powder to crack cocaine.

11 122. ALEXANDER asked if WALKER would call him, and WALKER told him to
 12 wait 30 minutes and then come on over to the apartment. At 9:34 p.m., WALKER told
 13 ALEXANDER that "[m]y boy wants to get a baller from you . . . [of] Christina." Based on my
 14 training and experience, and my review of hundreds of intercepts in this case, I believe that a "baller"
 15 (or eight-ball) of "Christina" refers to an eighth of an ounce of crystal methamphetamine.

16 123. WALKER said that he told "my boy" that ALEXANDER was right there at
 17 the AM/PM. WALKER explained that his boy is "J.R." and it would be "a dollar fifty." Based on
 18 my training and experience, and my review of hundreds of intercepts in this case, I believe "J.R."
 19 refers to Allen Matthew BAKER Jr. and that WALKER was quoting a price of \$150 for one-eighth
 20 of an ounce of methamphetamine.

21 **INTERCEPTS: One-Half Ounce of Cocaine Base (Oct. 19, 2007)**

22 **(WALKER, D. JACKSON and BIBBS)**

23 124. On October 19, 2007, at approximately 8:18 a.m., Daphne JACKSON entered
 24 WALKER's apartment. At approximately 9:29 a.m., BIBBS entered WALKER's apartment.

25 125. At about 9:34 a.m., WALKER and JACKSON spoke on the telephone.
 26 JACKSON said, "One of these are eight; one of these are nineteen point one." WALKER said, "No
 27 they're not. . . Put it back on there, put it on there right." WALKER also asked JACKSON if
 28 someone had "come for a quarter last night?" Then JACKSON said, "Here, BIBBS want to talk,

1 yep. Okay, hold on."

2 126. When BIBBS got on the telephone, he told WALKER, "I brought three with
 3 me, man." WALKER said, "Three twenty-five, dog." BIBBS said, "I ain't got three twenty-five."
 4 WALKER replied, "Well, you bring it next time." BIBBS asked if WALKER would be going "back
 5 down to three." WALKER said, "Nope, not yet." BIBBS thereafter said, "Here, tell her. I got three
 6 with me now."

7 127. JACKSON then got on the phone, and WALKER told her, "He's gon' take
 8 [unintelligible] . . . twenty-five cent later." Based on my training and experience, and my review of
 9 hundreds of intercepts in this case, I believe that WALKER agreed to sell BIBBS a half-ounce of
 10 crack cocaine for \$325, with BIBBS paying \$300 now and \$25 later.

11 **INTERCEPTS (Oct. 19, 2007)**

12 (WALKER and WEIR V)

13 128. On October 19, 2007, at about 8:22 p.m., WEIR V called WALKER and
 14 stated that he was "tryin' to put this one sixty on the, on the game." WALKER asked, "You trying to
 15 see me?" WEIR V said, "Yeah." WALKER replied, "Alright, hey, yeah, be over there in fifteen
 16 minutes." Based on my training and experience, and my review of hundreds of intercepts in this
 17 case, I believe that WEIR V was asking to purchase \$160 of narcotics.

18 **INTERCEPTS: Methamphetamine (Oct. 20, 2007)**

19 (WALKER and WEIR IV)

20 129. On October 20, 2007, at approximately 7:21 p.m., WEIR IV asked WALKER,
 21 "Yo, what's a 'tainer of that food supposed to weigh?" WALKER said, "Shit's twenty-five a piece."
 22 WEIR IV then asked, "And, and how much the plates go for?" WALKER said, "Shit, six dollars."
 23 Based on my training and experience, and my review of hundreds of intercepts in this case, as well as
 24 WALKER's usual drug pricing, I believe that WALKER thought WEIR IV was asking for crack
 25 cocaine prices. I believe that a "tainer" (container of food) refers to a "teener" or one-sixteenth of
 26 an ounce, and that a "plate" refers to a full ounce. WALKER was quoting a price of \$25 for one-
 27 sixteenth of an ounce of crack cocaine, and \$600 for a full ounce of crack cocaine.

28 130. WEIR IV then asked some more questions about the price. Finally, WEIR IV

1 said, "I was talkin' about that prostitute girl, Chris . . . that, it's Christina." WALKER replied, "Oh,
2 oh, oh, you not even . . . wait, let me call you right back, man." Based on my training and
3 experience, and my review of hundreds of intercepts in this case, I believe that "Chris" or
4 "Christina" refers to crystal methamphetamine, and that WEIR IV had actually been asking for
5 methamphetamine prices, not crack cocaine prices. WALKER misunderstood WEIR IV's use of the
6 code word "'tainer" a second time, on October 22, 2007 at about 3:29 p.m. (see below).

INTERCEPTS (Oct. 22, 2007)

(WALKER and D. JACKSON)

9 131. On October 22, 2007, at about 12:56 p.m., Daphne JACKSON entered
10 WALKER's apartment.

11 132. At 1:03 p.m., WALKER spoke on the telephone with a person known as
12 "Monkey D." "Monkey D" asked if he could come through and play some "basketball." WALKER
13 told him to go ahead.

14 133. At about 1:11 p.m., JACKSON telephoned WALKER. During the
15 conversation, WALKER told JACKSON that "Monkey D's on his way over there to, I guess to play
16 some pool with you." WALKER told JACKSON "that one is uh, a quiz-arter in a, in a ball in the
17 game of pool, quarter in a ball." WALKER also stated, "It's behind the fridgeniz-erator."

18 134. Based on my training and experience, and my review of hundreds of intercepts
19 in this case, I believe that "Monkey D" was asking WALKER if he could go by WALKER's
20 apartment to buy narcotics. WALKER agreed. WALKER then called JACKSON, who was at
21 WALKER's apartment, and told JACKSON to obtain one-quarter ounce (two-eighths or "8-balls")
22 of narcotics from behind the refrigerator.

INTERCEPTS: Methamphetamine (Oct. 22, 2007)

(WALKER and WEIR IV)

25 135. On October 22, 2007, at about 3:29 p.m., WEIR IV asked WALKER, "How
26 much do I charge for half a 'tainer of potato salad?" WEIR IV repeated the phrase at least four more
27 times, because WALKER did not appear to understand. WALKER finally said, "I don't know what
28 the fuck you're talkin' about . . . potato . . ." WEIR IV replied, "Half a 'tainer, man, half a 'tainer,

1 half-a 'tainer of Christina." WEIR IV then asked, "One point seven five is what? Half a 'tainer. . ."
 2 WALKER said, "That's a whole teener." Based upon my training and experience, and my review of
 3 hundreds of intercepts in this case, I believe that "Christina" refers to crystal methamphetamine and
 4 a "tainer" or "teener" refers to one-sixteenth of an ounce (approximately 1.77 grams). WALKER
 5 was telling WEIR IV that 1.75 grams is a full teener (one-sixteenth of an ounce), not a half-teener.

6 136. WEIR IV then said, "A . . . the whole 'tainer? . . . How much is that? . . . How
 7 much should I charge?" WALKER replied, "Ninety bucks." WEIR IV asked WALKER if he meant
 8 "three" and asked WALKER to repeat the price three times. WEIR IV said, "Three . . . half of eight
 9 . . . half of eight ball." WALKER repeated, "Nine zero." WEIR IV again asked, "Three hundred?
 10 What?" WALKER repeated, "Nine." Again, WEIR IV asked, "Half of an eight ball, Dog."
 11 WALKER repeated, "Nine zero . . . nine, ninety cent." Finally, WEIR IV said, "Oh, that's it? . . .
 12 Okay." Based upon my training and experience, and my review of hundreds of intercepts in this
 13 case, as well as WALKER's usual drug pricing, I believe that an "8-ball" is an eighth of an ounce
 14 and that WALKER was quoting a price of \$90 for a "teener" (one-sixteenth of an ounce, or half an
 15 "8-ball") of methamphetamine.

16 **INTERCEPTS: Methamphetamine (Oct. 23, 2007)**

17 **(WALKER, ALEXANDER and WILSON)**

18 137. On October 23, 2007, at approximately 12:21 p.m., WALKER and WILSON
 19 spoke on the telephone. WILSON said he needed to get "vital supplies" to his people. WALKER
 20 said he would call WILSON right back. Based on my training and experience, and my review of
 21 hundreds of intercepts in this case (in particular the intercepts pertaining to WALKER and
 22 WILSON's other dealings), I believe that "vital supplies" refers to methamphetamine.

23 138. At about 12:22 p.m., WALKER telephoned ALEXANDER and said that his
 24 "boy" who works at Hewlett Packard and who is "like my brother" was going to be over there and
 25 his name is "Craig." WALKER said "one is for you and one is for me," and WALKER instructed
 26 ALEXANDER to give him one of WALKER's. WALKER said that Craig would be calling
 27 ALEXANDER on an "855 number." (Craig WILSON works at Hewlett Packard and his telephone
 28 number is (619) 855-1120.)

1 139. At about 12:23 p.m., WALKER telephoned WILSON and said, "Alright, my
 2 boy got you. Go on down there. . . . Yeah, call him and he'll meet you wherever . . . 'cause he, he,
 3 he is at his pad. He lives right around the corner from me. . . . His name is Melvin." WALKER then
 4 recited the number 454-4486. (Melvin ALEXANDER's telephone number is (619) 454-4486.)

5 140. At approximately 12:43 p.m., WALKER called WILSON, saying "he" said
 6 that WILSON had not called him yet. WILSON assured WALKER that he would call "him" right
 7 now. WALKER said he would tell him the meeting place.

8 **INTERCEPTS: One-Half Ounce of Cocaine Base (Oct. 23, 2007)**

9 **(WALKER, D. JACKSON, LOCKHART and BIBBS)**

10 141. On October 23, 2007, Daphne JACKSON traveled to WALKER's Apartment.
 11 At approximately 12:40 p.m., LOCKHART, who was inside WALKER's apartment, opened the
 12 front door and let JACKSON inside the apartment. At approximately 1:56 p.m., BIBBS entered
 13 WALKER's apartment.

14 142. At about 1:56 p.m., BIBBS telephoned WALKER, saying, "I'm at the house,
 15 man, can I uh, is three o'clock okay?" WALKER replied, "Huh?" BIBBS said, "Can I get that for
 16 three o'clock? Is that okay?" WALKER then said, "Yes."

17 143. At approximately 1:57 p.m., WALKER called BIBBS back and asked to speak
 18 to JACKSON. JACKSON got on the telephone and told WALKER, "I'm gon' give this to him for
 19 three."

20 144. Based upon my training and experience, and my review of hundreds of
 21 intercepts in this case, as well as WALKER's usual drug pricing, I believe that "three o'clock" and
 22 "three" referred to the price of \$300, and that WALKER agreed to sell BIBBS half an ounce of crack
 23 cocaine for \$300, and then confirmed that price with JACKSON.

24 **INTERCEPTS (Oct. 26, 2007)**

25 **(WALKER AND ALEXANDER)**

26 145. On October 26, 2007, ALEXANDER called to complain that WALKER had
 27 shorted him on the narcotics he received. ALEXANDER said, "Hey, you know that whole one you
 28 gave me? . . . You know it wasn't no whole one right?" WALKER said, "Yeah, it was." Based on

1 my training and experience, and my review of hundreds of intercepts in this case, I believe a "whole
2 one" refers to a full ounce of narcotics.

3 146. ALEXANDER replied, "Man, I haven't fucked with nothin' and it's twenty-
4 three with the bag." Based on my training and experience, and my review of hundreds of intercepts
5 in this case, I believe ALEXANDER was stating that the narcotics weighed 23 grams with the bag.
6 A full ounce weighs 28.3 grams, but WALKER typically provides no more than 24 grams of
7 narcotics for a one-ounce purchase.

8 **CONTROLLED PURCHASE: 69 Grams of Cocaine Base (Oct. 27, 2007)**

9 **(WALKER, CASTILLO and RUNNELS)**

10 147. On October 27, 2007, CS made a controlled and recorded purchase from
11 WALKER of approximately 69 grams of cocaine base for \$1800. CS, who was outfitted with a
12 recorder/transmitter, entered WALKER's apartment and told WALKER that CS wanted to buy two
13 ounces of crack cocaine. WALKER then opened the front door of his apartment, reached into some
14 bushes located directly outside the front door, and obtained a brown paper bag which he brought
15 back into the apartment.

16 148. WALKER produced what appeared to be crack cocaine from inside the brown
17 bag. WALKER weighed out approximately two ounces and provided it to CS. CS then handed
18 WALKER \$1800, and instructed WALKER to count the money. Upon counting the money,
19 WALKER told CS there was too much money. CS then realized that CS paid WALKER for three
20 ounces of crack cocaine, but only received two ounces. CS told WALKER that CS wanted a total of
21 three ounces. WALKER stated he did not have the additional ounce, but placed a call to one of his
22 sources of supply. After the call ended, WALKER told CS that CS would have to wait for the
23 additional ounce.

24 149. At about 3:00 p.m., WALKER telephoned CASTILLO, aka "Onko", and
25 asked, "Yeah?" CASTILLO replied, "Hey, can you wait thirty minutes? I'm cooking right now."
26 WALKER said, "Hurry, hurry."

27 150. At about 3:56 p.m., CASTILLO telephoned one of the Target Telephones and
28 RUNNELS picked up the phone. CASTILLO said, "I'm on my way." RUNNELS said, "Huh?"

1 CASTILLO said, "Onko." RUNNELS said, "Hello? Oh, hold on. Walky Walk, the ese."
 2 WALKER then took the telephone and asked, "Que pasa, amigo?" CASTILLO repeated, "I'm on
 3 my way." WALKER replied, "Hurry up, hurry up."

4 151. At approximately 4:10 pm, WALKER walked up to CS, who was standing
 5 outside the apartment; and provided CS the third "ounce" of crack cocaine. In total, the crack
 6 cocaine had an aggregate weight of approximately 69 grams (2.43 ounces, or 23.0 grams per
 7 purported "ounce").

8 **INTERCEPTS: Cocaine Base (Oct. 27-28, 2007)**

9 **(WALKER, CASTILLO and BIBBS)**

10 152. On October 27, 2007, at about 8:24 p.m., BIBBS called WALKER to say,
 11 "Hey man, check it out, man. They've got that taste, man, 'thrax." BIBBS told WALKER that "this
 12 stuff tastes nasty as a motherfucker, homie." WALKER said, "What you want to do, bring it back or
 13 what?" BIBBS replied, "Yeah, you got somethin' else." WALKER said, "Nope. . . . It's that bad?"
 14 BIBBS replied, "Yeah, it's bad, man, it's woo. . . . Daph [Daphne JACKSON], Daph, Daph tasted
 15 it." WALKER said, "Ooh. Let me call these motherfuckers." BIBBS said, "She's the one that told
 16 me. . . . I'm sittin' here tastin' it and, and I . . . it's 'thrax. I wanted to make sure, you know?"
 17 WALKER replied, "Alright. . . . Hey, let me call you right back." Based on my training and
 18 experience, and my review of hundreds of intercepts in this case, I believe that "thrax" or "anthrax"
 19 refers to narcotics of poor quality.

20 153. At approximately 8:26 p.m., WALKER called CASTILLO and said, "That
 21 one's no bueno." CASTILLO replied, "No bueno? . . . Why?" WALKER said, "Shit, it's, it's, it's
 22 [coughs] it's no good. . . . It's anthrax. . . . Anthrax. . . . That is no good. I don't want that one. Shit,
 23 um, you got different?" CASTILLO replied, "Not right now, man." WALKER then said, "Alright,
 24 manana, manana, I'm gonna need different." Based on my training and experience, and my review
 25 of hundreds of intercepts in this case (in particular, WALKER and CASTILLO's other dealings), I
 26 believe that WALKER was requesting new cocaine base from CASTILLO, because he was
 27 dissatisfied with the quality of the cocaine base CASTILLO had given him.

28 154. At about 8:49 p.m., BIBBS called WALKER and asked, "What's up?"

1 WALKER explained, "I can't change it 'til tomorrow, so only thing I can do is give you your dough
2 back, dog." BIBBS said, "I'm gon' try to dump it. You want me to try to dump it?" WALKER
3 replied, "Hell, yeah! That's what I'm gon' do. Shit. . . . Nigga, I got four of 'em. I mean, by
4 tomorrow I'm gon' get something different."

5 155. The next day, on October 28, 2007, at approximately 1:24 p.m., WALKER
6 and BIBBS spoke on the telephone, and BIBBS stated, "I need it. Got somethin' different, right?"
7 WALKER said, "Nah, that's the problem." BIBBS said, "Well, we gotta get rid of that in order to
8 get somethin' different. . . . How much have you got? You want me, um. . . I'm gonna get it, I'm
9 gonna get another one from you, man, I know that, cause it's old, so fuck it. . . . It's sellin', it's
10 sellin', so fuck it."

INTERCEPTS: 2 Ounces of Cocaine Base (Oct. 28, 2007)

(WALKER, CASTILLO and TRYALS)

13 156. On October 28, 2007, at approximately 12:56 p.m., WALKER telephoned
14 CASTILLO to ask, "You got, um, two for me?" CASTILLO said, "No . . . maybe tomorrow."

15 157. At approximately 3:59 p.m., WALKER telephoned TRYALS and asked, "You
16 just called me?" TRYALS said, "Yeah, how you doin' on your side?" WALKER said, "Shit.
17 Terrible 'til tomorrow." WALKER told TRYALS to "hold me two of those for me when I get off
18 tonight."

19 158. Based on my training and experience, and my review of hundreds of intercepts
20 in this case (in particular, WALKER and TRYALS' other dealings), I believe that WALKER was
21 trying to obtain 2 ounces of crack cocaine from one of his usual suppliers. Both CASTILLO and
22 TRYALS told him that they did not have any crack cocaine at the moment. WALKER then asked
23 TRYALS to reserve 2 ounces of crack cocaine for him when he got some.

INTERCEPTS: 4 Ounces of Cocaine Base (Oct. 28, 2007)

(WALKER and BAKER)

26 159. On October 28, 2007, at approximately 9:45 p.m., WALKER telephoned
27 BAKER and asked, "No good?" BAKER said, "No, not right now, but it'll be good in a minute."
28 WALKER replied, "Shit, nigga, ain't got a minute. . . . We livin' by the seconds now." BAKER

1 replied, "I'll have something good, though." WALKER said, "When you do, hit me immediately."
2 Thereafter, BAKER asked, "Hey, like, like what, though?" WALKER said, "Shit, probably, you
3 know, I don't know, four."

4 160. Based on my training and experience, and my review of hundreds of intercepts
5 in this case (in particular, WALKER and BAKER's other dealings), I believe that WALKER was
6 attempting to order 4 ounces of crack cocaine from BAKER. BAKER was saying that he did not
7 have anything for him at the moment, but that he would have some good quality crack cocaine soon.

INTERCEPTS: Cocaine Base (Oct. 29, 2007)

(WALKER and WEIR V)

10 161. On October 29, 2007, at about 2:08 p.m., WEIR V called WALKER to ask
11 "can I come through?" WALKER said, "Shit, I'm not there." WEIR V said, "There ain't nobody
12 there?" WALKER replied, "The only thing I got is some um, Q-tips." WEIR V asked, "Who?"
13 WALKER said, "Q-tips, quarter pound cheeseburgers. . . . Dollar seventy." WALKER said, "My
14 partner there . . . Call me when you get there and tell Tony to call me." (Bernal Anthony
15 MITCHELL's nickname is "Tony".)

16 162. Based on my training and experience, and my review of hundreds of intercepts
17 in this case (in particular WALKER and WEIR V's other dealings and WALKER's typical pricing),
18 I believe that the use of the terms "Q-tips" or "quarter pound cheeseburgers" in this conversation
19 refers to one-quarter of an ounce of crack cocaine. WALKER was telling WEIR V that the current
20 price of a quarter-ounce of crack cocaine is \$170. WALKER typically sells crack cocaine for \$600
21 to \$650 per ounce, although that price rate generally increases as the quantity being sold decreases.

INTERCEPTS: 4 Ounces of Cocaine Base (Oct. 29-30, 2007)

(WALKER, RICO and MITCHELL)

24 163. On October 29, 2007, at about 7:00 p.m., WALKER telephoned RICO and
25 asked for "cuatro" (Spanish for four). RICO replied that it was too late and there were too many
26 police. RICO told WALKER to call him in the morning.

27 164. On October 30, 2007, at approximately 4:04 p.m., WALKER telephoned
28 RICO, aka "Mija". RICO asked if WALKER wanted "two." WALKER said that he needed "two,"

1 but that he was at work right now. RICO then said that he wanted to meet at a "different apartment."
 2 WALKER agreed and then said he wanted "cuatro" and that he would call him in an hour.

3 165. At about 5:25 p.m., WALKER and RICO spoke again by telephone.
 4 WALKER said, "Hey, Mija. . . . Okay, I got a new address. . . . It's on, you know, on Sixty-second."
 5 (Melvin ALEXANDER's residence is near the intersection of 62nd Street and Stanley Avenue in
 6 San Diego, California.) RICO replied, "Hey, hey . . . no, no, no for four, no good man." RICO then
 7 said, "You, you coming to car wash?" WALKER said, "Okay, okay, um, the car wash. How long?"
 8 RICO said, "How much?" WALKER replied, "You know, cuatro. . . . How long? How long?"
 9 RICO said, "Ten, ten minutes."

10 166. At approximately 5:29 p.m., WALKER called MITCHELL to tell him that he
 11 and Daphne JACKSON needed to "come with that dinero and meet me at the car wash on 52nd right
 12 now, at the car wash," and to "hurry up cause they're gonna be there in ten minutes. Look for the
 13 Mexican." (There is a car wash on El Cajon Boulevard in San Diego, near the intersection with
 14 52nd Street, approximately 10 blocks from Melvin ALEXANDER's residence.)

15 167. Based on my training and experience, and my review of hundreds of intercepts
 16 in this case (in particular WALKER and RICO's other dealings), I believe that WALKER and RICO
 17 agreed to meet at a car wash, where RICO would give WALKER 4 ounces of crack cocaine.

18 INTERCEPTS: 4 Ounces of Cocaine Base (Oct. 30, 2007)

19 (WALKER and TRYALS)

20 168. On October 30, 2007, at approximately 12:25 p.m., WALKER telephoned
 21 TRYALS and said, "Grab, grab me four. Four sandwiches." TRYALS responded, "I'll call him and
 22 see. Let me go see what time. Let me call and see what time KFC opens."

23 169. At about 12:38 p.m., TRYALS called WALKER back and said that "they
 24 unable to complete the call." WALKER replied, "Yeah, that's what was happenin' when I was
 25 callin' his gay ass, too. . . . Damn, well, today if you go to the taco shop, get me four of them, um,
 26 carne asadas." TRYALS said, "If they call . . . if not, if not I'll just uh, hmm, I'll just wait 'til you
 27 get off and then uh, we'll call the other boys."

28 170. Based on my training and experience, and my review of hundreds of intercepts

1 in this case, I believe that WALKER's request for four "sandwiches" or four "carne asadas" refers to
 2 4 ounces of crack cocaine, and that the "taco shop" in this conversation refers to their Mexican
 3 suppliers. TRYALS was saying that if he could not get the narcotics from one supplier, he would try
 4 other suppliers.

5 **OBSERVED PURCHASE: 4 Ounces of Cocaine Base (Nov. 1, 2007)**

6 **(WALKER, RICO and MEDINA)**

7 171. On November 1, 2007, at approximately 6:23 p.m., WALKER telephoned
 8 RICO and said, "Cuatro." RICO said that it is ready and "[y]ou wait, you wait one hour."
 9 WALKER said, "You call for me . . . as soon as you get it. Maybe more, cuatro maybe more."

10 172. At about 7:06 p.m., RICO called WALKER and asked, "You coming to the
 11 car wash?" WALKER told RICO, "No, it's no bueno. Come to the Burger King. . . . Burger King
 12 right near the Von's. . . . You come to the Burger King, right there on El Cajon Boulevard and
 13 College. . ." RICO asked, "Are, are you there?" WALKER said, "I'll come there, I'll be there in
 14 five minutes. Bring me cuatro." They agreed to meet in five minutes. WALKER warned RICO,
 15 "Alright, tell 'em don't have me waitin'. It's not no bueno to be waitin'. I can't wait like I wait at
 16 that car wash yesterday, That's no good down there."

17 173. Based on my training and experience, and my review of hundreds of intercepts
 18 in this case (in particular WALKER and RICO's other dealings), I believe that WALKER was
 19 ordering 4 ounces of crack cocaine from RICO.

20 174. Agents set up surveillance at the Burger King and observed the transaction.
 21 They saw a Latino male, who is believed to be Felipe MEDINA, arrive in a black Honda. MEDINA
 22 then got into WALKER's vehicle, and then left shortly afterwards.

23 **INTERCEPTS: One-Eighth Ounce of Methamphetamine (Nov. 2, 2007)**

24 **(WALKER and ALEXANDER)**

25 175. On November 2, 2007, at approximately 6:05 p.m., Shay telephoned
 26 WALKER and asked if she could come over to talk with "Christina." WALKER told her to come to
 27 his apartment. Shay said, "The usual."

28 176. At approximately 8:30 p.m., WALKER telephoned ALEXANDER and said,

1 "Bowling balls." ALEXANDER replied, "What you want? Two?" WALKER said, "No, one."
 2 WALKER told ALEXANDER, "I'm talkin' to my friend Shay. This lady I came with."
 3 ALEXANDER asked, "[W]hen is she leaving and I'll be outside. And you . . . you getting the ends
 4 then right?" WALKER replied, "No, she gon' give it to you." ALEXANDER said, "You get the
 5 ends . . . [a]nd I'll just give her this." Based on my training and experience, and my review of
 6 hundreds of intercepts in this case, I believe that the term "the ends" refers to money or payment,
 7 "Christina" refers to crystal methamphetamine and a "bowling ball" refers to an eighth of an ounce
 8 or "8-ball."

9 177. WALKER said "this is what you owe me, so we just be even."
 10 ALEXANDER said, "I don't know what you charge for yours." WALKER replied, "A dollar fifty."
 11 ALEXANDER said, "Well, you need to add like about a dollar, about twenty-five cents." Based on
 12 my training and experience, and my review of hundreds of intercepts in this case, I believe that
 13 ALEXANDER owed WALKER money, so the two agreed that WALKER could accept payment
 14 from Shay, and then ALEXANDER would provide her the methamphetamine without payment.

15 178. WALKER told ALEXANDER that she (Shay) would be driving a gold, four-
 16 door Lexus and would be there in four minutes.

17 179. At approximately 8:35 p.m., agents observed a gold, four-door Lexus,
 18 registered to Shay, arrive in front of ALEXANDER's residence at 6225 Stanley Avenue, Apt. 1,
 19 San Diego, California ("ALEXANDER's apartment"). They observed ALEXANDER walk up to
 20 the white female who was driving the Lexus and then depart shortly thereafter.

21 **OBSERVED PURCHASE: 5 Ounces of Cocaine Base (Nov. 2, 2007)**

22 **(WALKER and CASTILLO)**

23 180. On November 2, 2007, at approximately 5:52 p.m., WALKER spoke with
 24 CASTILLO on the telephone. WALKER asked, "You got five for me?" CASTILLO answered, "I
 25 got nine for you." WALKER said, "Nine? Alright, hold it. . . . I gotta go get a thousand dollars. I
 26 gotta, I, I want it. I want it. I get the money." CASTILLO asked again, "Nine?" WALKER
 27 confirmed, "Nine, nueve." CASTILLO said he would be "ready maybe at six thirty, I'm a ready."

28 181. At about 8:20 p.m., WALKER telephoned CASTILLO. WALKER stated, "I

1 only got for five, cinco." CASTILLO asked, "Five?" WALKER confirmed the amount, and said,
2 "Alright, come on." CASTILLO replied, "Alright, I'll be there in ten minutes." WALKER said,
3 "Okay, I'm here." Based on my training and experience, and my review of hundreds of intercepts in
4 this case (in particular WALKER and CASTILLO's other dealings), I believe that WALKER
5 initially tried to order 9 ounces of cocaine base from CASTILLO, but later stated he only had enough
6 money for 5 ounces of cocaine base.

7 182. At about 9:00 p.m., a blue Dodge pickup with two Latino males arrived at
8 WALKER's apartment complex. At least one of the Latino males (believed to be CASTILLO)
9 entered the apartment complex, and soon returned to the pickup. The pickup then drove to the
10 apartment complex where CASTILLO's Nissan Armada is usually parked (and CASTILLO is
11 believed to live), arriving at about 9:35 p.m. One of the Latino males got out of the pickup truck,
12 went up to the third floor of the apartment complex, returned to the ground level, and drove off in
13 CASTILLO's Nissan Armada.

INTERCEPTS: Cocaine Base (Nov. 4, 2007)

(WALKER, ALEXANDER and TRYALS)

16 183. On November 4, 2007, at approximately 12:21 p.m., TRYALS telephoned
17 WALKER and said, "I'm over there, he ain't got what I, what I need." WALKER asked, "'Tina'?"
18 TRYALS said, "No, what I always get." WALKER replied, "Siete?" TRYALS confirmed, "Yeah."
19 Based on my training and experience, and my review of hundreds of intercepts in this case (in
20 particular WALKER and TRYALS' other dealings), I believe that "'Tina'" refers to "Christina" or
21 crystal methamphetamine and "what I always get" means crack cocaine. TRYALS was stating that
22 he did not want methamphetamine, but he wanted crack cocaine.

23 184. WALKER replied, "Let, let me talk to him." ALEXANDER then got on the
24 telephone, and WALKER asked, "You ain't got that for him?" ALEXANDER said that he was
25 almost ready, but he said, "All I had was um, was um, was a ball. Baseball." WALKER said, "Uh,
26 shit. Fuck. Alright, let me talk back with him." TRYALS then got on the telephone again, and
27 WALKER said, "I'm gonna have the boy bring it. When he does, I'm gonna leave it here with Daph
28 [Daphne JACKSON] and she'll call you, I'll call you when she gots it." Based on my training and

1 experience, and my review of hundreds of intercepts in this case, I believe that "ball" or "baseball"
 2 refers to an eighth of an ounce (or "8-ball") of narcotics.

3 **INTERCEPTS: Storing of Narcotics at ALEXANDER's Apartment (Nov. 5, 2007)**

4 **(WALKER and ALEXANDER)**

5 185. On November 5, 2007, at approximately 10:14 a.m., WALKER and
 6 ALEXANDER spoke on the telephone about a female who may have stolen either money or
 7 narcotics from ALEXANDER the previous day. ALEXANDER told WALKER that he was out
 8 looking for her the previous night, but was unable to locate her. WALKER told him not to put all
 9 his energy into trying to find her, and told ALEXANDER that when he does find her, he needs to
 10 take care of his business. ALEXANDER told WALKER that because of the problem with the
 11 female, ALEXANDER would have to keep just "a little bit" in his house. ALEXANDER added that
 12 he would still get what he normally gets from WALKER, but he would keep just a little bit at his
 13 house because he was worried the female might tell on him. Based on my training and experience,
 14 and my review of hundreds of intercepts in this case, I believe that "a little bit" refers to a small
 15 amount of narcotics. I believe that ALEXANDER was saying that he would continue to obtain the
 16 same amount of narcotics from WALKER, but that he would be keeping less of it at his residence,
 17 because he was afraid the female might report him to the police.

18 **INTERCEPTS: 32 Grams of Cocaine Base (Nov. 5, 2007)**

19 **(WALKER, LOCKHART and G. JACKSON)**

20 186. On November 5, 2007, at approximately 3:23 p.m., LOCKHART, aka "Blue",
 21 entered WALKER's apartment. At approximately 5:27 p.m., WALKER and LOCKHART spoke on
 22 the telephone. LOCKHART said that "Miss G. outside in the living room." (Gloria JACKSON's
 23 nickname is "Miss G.") WALKER replied, "It's behind the 'frigerator, Blue. It's . . . thirty-two. It's
 24 thirty-two, just give her twi-zelve."

25 187. At approximately 5:39 p.m., LOCKHART called WALKER back, asking,
 26 "Fifteen with three minutes was what she, um, supposed to shoot?" WALKER first said "three,"
 27 then "325." LOCKHART said that Gloria JACKSON had "315." Later in that same call,
 28 LOCKHART told WALKER that someone else had paid "350" earlier that day.

1 188. Based on my training and experience, and my review of hundreds of intercepts
 2 in this case, as well as WALKER's usual drug pricing, I believe that WALKER was telling
 3 LOCKHART that he had 32 grams of crack cocaine hidden behind the refrigerator, and that
 4 WALKER wanted LOCKHART to give 12 grams (about a half-ounce) to Gloria JACKSON. I
 5 believe that "fifteen with three minutes," "three" and the other numbers mentioned above refer to
 6 prices for half an ounce of crack cocaine (varying between \$300 and \$350). At this time, WALKER
 7 normally charged about \$325 for a half-ounce of crack cocaine, and WALKER typically provided no
 8 more than 12 grams (0.42 ounces) for a half-ounce purchase.

9 **INTERCEPTS: One-Half Ounce of Crack Cocaine (Nov. 6, 2007)**

10 (b) (5) (WALKER and WEIR V)

11 189. On November 6, 2007, at approximately 3:44 p.m., WEIR V called WALKER
 12 to ask, "Hello, what up, what up?" WALKER said, "Three dollar twenty-fives cents, son. Three
 13 dollar and twenty-five cents for the roll of tacos." WEIR V asked, "Hey, do you got the yellow
 14 cheese?" WALKER said, "Nope. I don't know. . . . I ain't even looked at it." WEIR V said, "Look
 15 at it and call me right back." Then WALKER explained, "I'm not there, so I got someone there."
 16 WEIR V said, "Okay." Based on my training and experience, and my review of hundreds of
 17 intercepts in this case (in particular WALKER and WEIR V's other dealings), as well as
 18 WALKER's usual drug pricing, I believe that WALKER was quoting a price of \$325 for a half-
 19 ounce of crack cocaine.

20 **INTERCEPTS: Quarter-Pound of Marijuana (Nov. 9, 2007)**

21 (b) (5) (WALKER and ARMSTRONG)

22 190. On November 9, 2007, at approximately 4:56 p.m., WALKER telephoned
 23 ARMSTRONG and asked, "Can I get a QP?" ARMSTRONG said WALKER would have to wait
 24 until she got off work at 8:00 p.m. WALKER asked if ARMSTRONG was going to get it from
 25 "Van Dyke Mike or are you goin' to Craig." (Both "Van Dyke Mike" and Craig Mack are suspected
 26 suppliers of marijuana and crack cocaine.) ARMSTRONG said, "Either one, it don't matter. They
 27 both got the same thing." WALKER said, "I'm probably gon' get the whole thing." ARMSTRONG
 28 said, "Okay, just call me and let me know."

1 191. At about 7:59 p.m., ARMSTRONG called WALKER and asked, "Did you
 2 ever call that dude?" WALKER said, "No." ARMSTRONG said, "I'm just now gettin' off work.
 3 I'm in my car right now." WALKER asked, "What you got?" ARMSTRONG asked, "What do you
 4 mean? Fruit flies?" WALKER replied, "Yeah." ARMSTRONG said, "I . . . nothin', I'm 'bout to
 5 get me somethin' in a minute, so . . . why, what do you want?" WALKER said, "Um, a QP."
 6 ARMSTRONG replied, "So that mean I'll have to get it twice. [She then sighed.] So, you want me to
 7 get you one and then come get the money and then come back and get my own?" WALKER said,
 8 "Yeah."

9 192. Based on my training and experience, and my review of hundreds of intercepts
 10 in this case (in particular WALKER and ARMSTRONG's other dealings), I believe that the use here
 11 of the term "QP" (or "quarter pounder") or "Q" refers to a quarter-pound of marijuana, and that the
 12 term "fruit" or "fruit flies" (like similar references to fruits or vegetables) refers to marijuana. I
 13 believe that ARMSTRONG intended to buy a quarter-pound of marijuana for WALKER and a
 14 quarter-pound of marijuana for her own drug-dealing. However, since ARMSTRONG did not have
 15 enough money to buy a full half-pound of marijuana, she would need to deliver WALKER's quarter-
 16 pound first, receive payment from him, and then buy her own quarter-pound of marijuana.

17 193. Later that night, agents followed ARMSTRONG to Craig Mack's residence.
 18 Someone believed to be Craig Mack came out of the residence and met with ARMSTRONG at her
 19 vehicle. At approximately 9:17 p.m., ARMSTRONG called WALKER and said, "Um, I already got
 20 it, but, I, I'm gon' have to go get me some more, 'cause I ain't have all the money to get just the
 21 whole half." WALKER asked, "What you got?" ARMSTRONG said, "I got the Q like you asked."
 22 WALKER said, "I'll be at my pad in thirty minutes." ARMSTRONG told WALKER to call her if
 23 he was not there in 30 minutes, "because a lot of people be waitin' on me and I can't do nothin'
 24 'cause I'm tryin' to get this to you." WALKER assured ARMSTRONG he would not keep her
 25 "ridin' like that." ARMSTRONG said, "No, I'm not gon' ride like this at all, but I'm just sayin'.
 26 I'm . . . gon', I'm gon' put it in safe and my safe ain't in the car."

27 //
 28 //

1 **INTERCEPTS: 2 Ounces of Cocaine Base (Nov. 9, 2007)**

2 **(WALKER, MITCHELL and TRYALS)**

3 194. On November 9, 2007, at approximately 6:24 p.m., WALKER telephoned
 4 TRYALS, aka "Texas Mike", to inform TRYALS that "I'm just gon' give you two of mine. You
 5 can give 'em back to me tomorrow."

6 195. At approximately 9:00 p.m., TRYALS called WALKER back. WALKER
 7 said that he was not at home, but that TRYALS should go there and hand one of them the phone. At
 8 approximately 11:06 p.m., MITCHELL telephoned WALKER and asked, "Yeah, what you want me
 9 to do with that?" WALKER replied, "You give him two?" MITCHELL asked, "Give who two?"
 10 WALKER said, "Mike. Texas." MITCHELL responded, "No, this is . . . this . . . okay, he's here.
 11 Alright, I didn't know. Here you go, Mike."

12 196. Based on my training and experience, and my review of hundreds of intercepts
 13 in this case (in particular WALKER and TRYALS' other dealings), I believe that the "two" refers to
 14 2 ounces of cocaine base.

15 **SEIZURE: 119.68 Grams of Cocaine Base (Nov. 10, 2007)**

16 **(WALKER, RICO and MEDINA)**

17 197. On November 10, 2007, agents arrested Felipe MEDINA with 119.68 grams
 18 (approximately 4.2 ounces) of crack cocaine, which he was on his way to deliver to WALKER. At
 19 4:03 p.m., WALKER called RICO and said, "cuatro, amigo" [Spanish for "four, friend"]. RICO
 20 responded, "Uh, twenty minutes, no problem. Twenty, twenty-five, you know?" At 5:02 p.m.,
 21 WALKER called again, asking, "What . . . you ready?" RICO said, "Fifteen . . . ten minutes, fifteen
 22 minutes." WALKER responded, "Alright, I'll be over there." Based on my training and experience,
 23 and my review of hundreds of intercepts in this case (in particular WALKER and RICO's other
 24 dealings), I believe that by saying "cuatro," WALKER was ordering 4 ounces of crack cocaine.

25 198. At 5:10 p.m., an agent stationed at 4162 Estrella Avenue (the origin of
 26 RICO's load vehicles) observed RICO's black Honda Accord leaving the 4100 block of Estrella
 27 Avenue and heading toward WALKER's apartment. Officers performed a traffic stop and
 28 determined that the driver, Felipe MEDINA, was an illegal alien. They found 95.80 grams (3.38

1 ounces) of cocaine base in a hidden compartment in the vehicle, and 23.88 grams (0.84 ounces) of
2 cocaine base on MEDINA's person, for a total of approximately 119.68 grams (4.2 ounces) of
3 cocaine base.

4 199. At 6:26 p.m., WALKER called RICO, and RICO said, "Lee, I'm sorry man,
5 the, the, my, my friend is, is, going to the police . . . [I]t's no problem, man . . . it, it's my stuff is
6 right now is at my brother's." WALKER responded, "Well, I'll do it . . . we'll do it first thing in the
7 morning."

INTERCEPTS (Nov. 11, 2007)

(WALKER and RUNNELS)

10 200. . On November 11, 2007, at about 2:55 p.m., RUNNELS spoke to WALKER to
11 say "your neighbor Joe is here." WALKER ordered him to "grab that" and to "put him on."
12 WALKER told Joe "just leave it with them and tell 'em I said to hide it up in my room." Then
13 RUNNELS got back on the phone, and WALKER told him, "Wi-zeigh it out, wi-zeigh it out real
14 quick and call me back. . . Just weigh it out and tell me what it is with the bi-zaggie."

15 201. At about 2:58 p.m., they spoke again by telephone. WALKER asked, "What
16 it weigh?" RUNNELS replied, "Six-eight. . . . six-eight and you get twenty bucks back." WALKER
17 asked, "With the bag? Six-eight with the bag?" RUNNELS answered, "Huh? Without the bag. . . .
18 It was supposed to be seven, but it's six-eight, without the bag."

19 202. Based on my training and experience, and my review of hundreds of intercepts
20 in this case, I believe that the term "six-eight" refers to 6.8 grams (approximately 0.24 ounces). A
21 full quarter-ounce weighs approximately 7.087 grams. I believe that the person named Joe was
22 supposed to deliver a quarter-ounce of narcotics to WALKER's apartment, and that WALKER was
23 asking RUNNELS to weigh the narcotics for him. RUNNELS informed WALKER that Joe had not
24 brought the full amount of narcotics, but that WALKER would receive \$20 back.

INTERCEPTS: Currency and Sales (Nov. 11, 2007)

(WALKER and D. JACKSON)

27 203. On November 11, 2007, at about 3:37 p.m., WALKER called Daphne
28 JACKSON to discuss several sales. WALKER asked if "Kim" got a "half." JACKSON said, no,

1 that she got a quarter instead. WALKER told her to keep the money separated and put it in one of
 2 his shoes. WALKER told JACKSON about prices and to "keep the money separated from the first
 3 and second half." JACKSON said, "I know, I know how to do that." WALKER replied, "Well, act
 4 like it. Cause you always fuckin' up, alright?"

5 **INTERCEPTS (Nov. 13, 2007)**

6 **(WALKER, D. JACKSON and G. JACKSON)**

7 204. On November 13, 2007, at about 7:12 p.m., Daphne JACKSON telephoned
 8 Gloria JACKSON to ask if she was coming. Daphne JACKSON said she was. Daphne JACKSON
 9 informed her that somebody else wanted some and he only had a little. Gloria JACKSON asked if
 10 Daphne JACKSON had "one" for her. Daphne JACKSON replied, "Right now." Gloria JACKSON
 11 then said, "Okay." Agents thereafter observed Gloria JACKSON arrive at WALKER's apartment
 12 complex, and shortly thereafter they observed her re-enter her vehicle and drive away. Based on my
 13 training and experience, and my review of hundreds of intercepts in this case, I believe that Gloria
 14 JACKSON was picking up narcotics from WALKER's apartment.

15 **INTERCEPTS: Half-Ounce of Crack Cocaine (Nov. 16, 2007)**

16 **(WALKER, MITCHELL and G. JACKSON)**

17 205. On November 16, 2007, WALKER spoke to Gloria JACKSON on the
 18 telephone. Gloria JACKSON said that she had just left his place. She complained that "Tony" was
 19 not there and someone else had answered the door. (Bernal Anthony MITCHELL's nickname is
 20 "Tony".) WALKER then called back to his apartment and told the person who answered to wake
 21 "Tony" up. Soon thereafter MITCHELL got on the phone, and WALKER told him to "get one and
 22 cut it in half and give her . . . give her half and she going give you three dollars and fifteen cent."
 23 MITCHELL said he would give her "twelve point one." WALKER replied, "Twelve zero. Thirteen
 24 with the bag. Thirteen."

25 206. Based on my training and experience, and my review of hundreds of intercepts
 26 in this case, I believe that WALKER was telling MITCHELL to sell Gloria JACKSON a half-ounce
 27 of crack cocaine for \$315. Specifically, WALKER wanted MITCHELL to provide her 12.0 grams of
 28 crack cocaine (13 grams including the plastic bag). Although a full half-ounce would weigh about

1 14.17 grams, WALKER typically provided no more than 12.0 grams of narcotics for a half-ounce
 2 purchase.

3 **INTERCEPTS: 5 Ounces of Cocaine Base (Nov. 16-17, 2007)**

4 **(WALKER, RICO and ALEXANDER)**

5 207. On November 16, 2007, at approximately 3:41 p.m., WALKER telephoned
 6 RICO and said he was going to need "cinco in the morning." ("Cinco" is the Spanish word for five.)
 7 RICO said that "in the morning its ready for you." WALKER agreed to call him between 8:00 and
 8 9:00 the next morning. Based on my training and experience, and my review of hundreds of
 9 intercepts in this case (in particular WALKER and RICO's other dealings), I believe that WALKER
 10 was ordering 5 ounces of crack cocaine.

11 208. On November 17, 2007, at approximately 8:00 a.m., WALKER called RICO
 12 and said, "What's up, cinco." RICO said, "Huh?" WALKER again said, "Cinco." RICO said it
 13 would be ready in 40 minutes.

14 209. At approximately 9:09 a.m., WALKER and RICO spoke by telephone and
 15 agreed to meet at ALEXANDER's apartment. WALKER then traveled to ALEXANDER's
 16 apartment complex, arriving at approximately 9:15 a.m. At about 9:19 a.m., RICO telephoned
 17 WALKER and asked, "Hey, how long you come?" WALKER said, "I'm here." RICO then said,
 18 "Okay, me, me, one minute in line. . . . Two minutes." At approximately 9:25 a.m., RICO arrived at
 19 ALEXANDER's apartment complex in a separate vehicle.

20 210. At approximately 9:25 a.m., WALKER telephoned ALEXANDER to see if he
 21 was home. ALEXANDER told WALKER he could come by, and WALKER said he was coming
 22 now. WALKER and RICO both walked into ALEXANDER's apartment complex. At
 23 approximately 9:30 a.m., WALKER and RICO left the apartment complex and departed in their
 24 separate vehicles.

25 **SEIZURE: 5.91 Grams of Cocaine Base (Nov. 19, 2007)**

26 211. On November 19, 2007, at about 9:10 p.m., Robert Clark Myers, who has
 27 frequently obtained crack cocaine from WALKER, called WALKER to see if he could come by the
 28 apartment. WALKER responded, "Come on." Shortly thereafter, agents observed a black male,

1 who matched the description of Myers, enter WALKER's apartment and leave a short time later.
 2 They observed him get into a car and drive toward El Cajon Boulevard. One of the car's brake lights
 3 was out and the car's registration was expired. An officer performed a traffic stop and later arrested
 4 Myers for being under the influence of a controlled substance. During a strip search at the station,
 5 officers recovered from Myers' buttocks a plastic baggie containing approximately 5.91 grams
 6 (0.21 ounces) of cocaine base.

7 **Continued Drug Trafficking Activity (Nov. 20, 2007—Jan. 15, 2007)**

8 212. The last day of Court-authorized wire interceptions in this case was
 9 November 19, 2007. After the conclusion of the intercepts, agents and officers assigned to the
 10 investigation continued to conduct surveillance at both WALKER's apartment and ALEXANDER's
 11 apartment, among other places. Foot traffic consistent with previously observed narcotic activities
 12 has continued at both locations.

13 213. In addition, on December 12, 2007, a CI purchased narcotics from a facilitator
 14 on the street in front of BIBBS' apartment complex. SDPD officers observed the facilitator walk
 15 into BIBBS' apartment, and then return to the CI with narcotics. Similarly, on December 17, 2007,
 16 the SDPD arrested ALEXANDER in front of his apartment complex for possession of cocaine base
 17 for sale, among other charges, when he fled from police and tossed away bags found to contain crack
 18 cocaine and methamphetamine.

19 214. Further evidence of ongoing drug-trafficking activity following the cessation
 20 of wire interceptions is addressed individually for each co-conspirator in Section E, above.

21 **G. KNOWN EVIDENCE OF DOMINION AND CONTROL**

22 215. The evidence of dominion and control for the individual and location
 23 specified in Attachment A is as follows for each of the locations to be searched:

24 216. Lee Vaughn WALKER, aka "Lee Dog", and Virginia Hughes; 7410
 25 Cuvier Street Apartment 4, La Jolla, California: This address is listed as the address for Lee
 26 Vaughn WALKER, aka "Lee Dog", as well as his mother, Virginia Hughes, according to subscriber
 27 information provided by Sprint, Cingular and AT&T, the telephone companies used by both
 28 WALKER and Hughes. Hughes has both a cellular telephone and a hardline in her name at the

1 above address. Additionally, this address is the address on file for WALKER as his residence with
2 WALKER's parole officer. WALKER's parole officer has made numerous visits to this residence
3 for monthly parole checks for WALKER. Additionally, this is the address on file with the
4 Department of Motor Vehicles for both WALKER and Hughes.

5 217. Gloria JACKSON; 7163 Central Avenue, Lemon Grove, California: This
6 free-standing house (which is associated with, but physically separate from, a 6-unit apartment
7 building behind it) is listed as the address for Gloria JACKSON, according to subscriber information
8 provided by AT&T for the hardline used by JACKSON to contact WALKER. On or about
9 November 13, 2007, law enforcement officers observed JACKSON driving a Nissan 350Z from
10 WALKER's apartment (the Rolando Court address). According to the California Department of
11 Motor Vehicles, the vehicle is registered to JACKSON at this address. On December 18 and 19,
12 2007, FBI Special Agent William Sexton observed the Nissan parked directly in front of this
13 address. On January 7, 2008, officers observed JACKSON parked outside this residence in her
14 vehicle.

15 218. Alexander WEIR V, aka "Lil' Brick"; 9928 Buena Vista, Spring Valley,
16 California: WEIR V's residence is an apartment in a multi-unit apartment building that contains
17 even-numbered apartments 9922-9934. On or about December 24, 2007, Special Agent Dennis
18 Hodges, California Department of Corrections, Special Services Unit, spoke with a resident in an
19 adjacent apartment who confirmed that WEIR V resides in Apartment 9928. Additionally, Special
20 Agent Hodges identified the vehicle used by WEIR V at the multi-unit apartment complex on several
21 occasions, with the latest being December 26, 2007. As recently as January 9, 2008, agents observed
22 WEIR V entering and exiting Apartment 9928.

23 219. Melvin ALEXANDER; 6225 Stanley Avenue, Apartment 1, San Diego,
24 California: This residence is listed as the address for Melvin ALEXANDER according to
25 subscriber information provided by Sprint, the telephone company used by ALEXANDER.
26 Additionally, this is the most current address on file with the Department of Motor Vehicles for
27 ALEXANDER. On December 17, 2007, ALEXANDER was arrested at this address by the SDPD
28 for possession of cocaine base for sale. On numerous occasions, ALEXANDER has been observed

1 by law enforcement personnel at this address.

220. Lee Vaughn WALKER, aka "Lee Dog", and Bernal Anthony
3 MITCHELL, aka "Tony"; 4881 Rolando Court, Apartment 69, San Diego, California: This
4 residence is used as a narcotics distribution location by Lee Vaughn WALKER, aka "Lee Dog".
5 Special Agent Robert A. Harris has been in contact with the apartment complex management since
6 February 2007, and the management has provided information on the suspected narcotic activities
7 inside this residence. According to the apartment complex management, a female name is listed as
8 the tenant of Apartment 69, but the management has never seen this woman at the apartment and
9 believes the woman does not reside there. Since September 2007, a pole camera has been capturing
10 images of WALKER and his criminal associates entering and departing this residence at will.
11 Additionally, a confidential source ("CS") has been inside this residence on numerous occasions
12 conversing with WALKER and his criminal associates. Between March and October 2007, CS
13 participated in approximately six controlled narcotic purchases from WALKER from this address.
14 In addition, from September to November 2007, agents obtained Court-authorized wire interceptions
15 of WALKER's telephones, which confirmed on dozens of occasions that narcotics were being
16 distributed from this apartment and that MITCHELL lives there and WALKER resides there
17 periodically.

221. Eleodoro CASTILLO, aka "Onko"; 4770 Home Avenue, Apartment 301,
19 San Diego, California: This residence was tied to Eleodoro CASTILLO, aka "Onko", through
20 surveillance by law enforcement officers on several occasions when a Nissan Armada driven by
21 CASTILLO departed the Rolando Court address after supplying WALKER with crack cocaine.
22 According to subscriber information provided by Sprint, CASTILLO was listed not as the subscriber,
23 but as the user, of one of the phones used to contact WALKER. The other two phones on which
24 WALKER contacted or attempted to contact CASTILLO were subscribed in a female's name, but
25 the address on file with the telephone companies for those two phones identified this address. On or
26 about November 1, 2007, a traffic stop was conducted on the Nissan Armada by the SDPD, and the
27 driver provided Mexican identification as CASTILLO. On December 14, 2007, law enforcement
28 officers spoke with two of the three known adult occupants at this residence, and one of the females

1 provided information that her husband's name was CASTILLO. On December 13, 2007, the United
 2 States Post Office confirmed CASTILLO receives mail at this address.

3 222. Jose Galvan RICO, aka "Mija"; 3670 Highland Avenue, San Diego,
 4 California: Agents have continued to observe RICO exiting this free-standing house, including a
 5 sighting as recently as January 3, 2008. Additionally, this is the address on file with the California
 6 Department of Motor Vehicles for RICO.

7 223. Melvin Andre BIBBS; 4068 44th Street, Apartment 104, San Diego,
 8 California: The residence is listed as the address for Melvin Andre BIBBS according to subscriber
 9 information provided by Cricket, the telephone company used by BIBBS; however, the apartment
 10 number was not provided to Cricket. In December 2006, BIBBS was involved in an automobile
 11 accident, and he provided this address (including the apartment number) as his residence to the
 12 insurance company handling the claim. The SDPD recently began receiving complaints about
 13 narcotics being sold by a "Melvin" at Apartment 104. On December 12, 2007, the SDPD
 14 successfully conducted a controlled crack cocaine purchase from this apartment.

15 224. Keiko Thomas and Michael Dwayne TRYALS, aka "Texas Mike", aka
 16 Michael Tryls, aka Dave Brooks, aka Leon Howard Blair, aka Earl David Hollis; 4147 43rd
Street, Apartment A, San Diego, California: Apartment A (which is the ground-floor unit in a
 17 two-story building, with Apartment B upstairs) is listed as the address on file with the California
 18 Department of Motor Vehicles for Keiko Thomas, believed to be the girlfriend of TRYALS. On
 19 December 4, 2007, the SDPD conducted a traffic stop on a Toyota Tacoma registered and driven by
 20 TRYALS. Thomas was in the vehicle at the time. On December 13, 2007, law enforcement officers
 21 observed the Tacoma and a Toyota Tercel parked at this address. On December 17, 2007, law
 22 enforcement officers observed TRYALS driving the Tercel to and from this address. One of the
 23 telephones used by TRYALS to contact WALKER was subscribed to by Thomas. According to Cox
 24 TelCom, the service provider for that telephone, the telephone used by TRYALS to speak with
 25 WALKER, is a hardline at this residence, and is subscribed to by Thomas.

26 225. Alexander WEIR IV, aka "Brick"; 745 42nd Street, San Diego,
 27 California: This single-family residence (free-standing house) is listed as the address on file with

1 the California Department of Motor Vehicles for Alexander WEIR IV, aka "Brick". Additionally,
2 the vehicle in which WEIR IV has been seen driving is registered in his name at this address. The
3 SDPD has seen this vehicle at this residence on several occasions, with the most recent being on
4 December 27, 2007. During the period of wire interceptions, WEIR IV told WALKER the number
5 he was calling from was his home number. The number identified is a hardline at this address.

6 **226. Niesha Shawnee ARMSTRONG, aka Niesha S. Jackson; 4172 Yale**
7 Avenue, La Mesa, California: ARMSTRONG's residence at 4172 Yale Avenue in La Mesa,
8 California, is an apartment located in a multi-unit apartment building which contains even-numbered
9 units 4170-4184. On December 31, 2007, ARMSTRONG renewed her vehicle registration and
10 listed this apartment (Apartment 4172) as her residence. On January 9, 2008, agents observed
11 WALKER leave this apartment building and thereafter observed ARMSTRONG also leave the
12 apartment building. On or about January 10, 2008, an agent saw the lights go off in Apartment 4172
13 and then observed ARMSTRONG exit the apartment.

14 **H. SEALING REQUEST**

15 227. Because this is an ongoing investigation and premature disclosure of the
16 investigation and this affidavit could endanger agents and officers, cause suspects to flee, and cause
17 the destruction of evidence, I request that this affidavit, all search warrants, all arrest warrants, the
18 complaint, and all other associated court records be sealed until further court order.

19 **I. CONCLUSION**

20 228. Based on the facts summarized above, and my ongoing participation in this
21 investigation, your affiant believes that the individual listed in Attachment A is involved in drug
22 trafficking activities related to the sale of marijuana, cocaine base, and/or methamphetamine, and
23 that agents are likely to find narcotics, documentation and proceeds from these activities at the
24 residence listed in Attachment A.

25 229. Based on the foregoing, your affiant believes that probable cause exists that
26 the residence listed in Attachment A (the location to be searched) contains property that constitutes
27 evidence of the commission of an offense under Title 21, United States Code, Sections 841(a)(1) and
28 846 and Title 18, United States Code, Sections 2 and 1956(h); contraband and fruits of such

1 offenses; and property designed and intended for use and which had been used as the means of
2 committing such offenses. Such property is more particularly described in Attachment B to this
3 affidavit.

4 230. Wherefore, your affiant respectfully requests that a search warrant be issued
5 for the residence listed in Attachment A, authorizing a search of the premises and the seizure of the
6 items described with particularity in Attachment B to the Application and Affidavit for Search
7 Warrant.

8 231. WHEREFORE, I respectfully request that the Court issue (1) arrest warrants
9 for Lee Vaughn WALKER, aka "Lee Dog", Melvin ALEXANDER, Jose Galvan RICO, aka "Mija",
10 Eleodoro CASTILLO, aka "Onko", Daphne Rosalinda JACKSON, aka Daphne R. Rae, Bernal
11 Anthony MITCHELL, aka "Tony", Allen Matthew BAKER Jr., aka "J.R.", aka Tracy Reyard Diggs,
12 aka Marcus Johnson, Michael Dwayne TRYALS, aka "Texas Mike", aka Michael Tryls, aka Dave
13 Brooks, aka Leon Howard Blair, aka Earl David Hollis, Bobby Shawn LOCKHART, aka "Blue",
14 Alexander WEIR IV, aka "Brick", Alexander WEIR V, aka "Lil' Brick", Felipe MEDINA, Melvin
15 Andre BIBBS, and Mark Edward RUNNELS, aka "Marky Mark"; and (2) search warrants for the
16 locations described in section B above (and more particularly described in Attachment A) to seize
17 the items in Attachment B of each of the applicable applications.
